ALL Leaders, cubs and parents are expected to follow the directions of any event chair or staff member during the event of an emergency.

Camp staff will do their best to keep units informed with up-to-date information.

Heavy rain or electrical storm: Camp activities will continue to take place even in light or moderate rain. In case of heavy rain or electrical storms units will move to a designated location to shelter.

Lost camper: While every precaution is made and many procedures are put in place, it remains a possibility that Scouts will get lost or separated from their group. The event has a plan to quickly locate the missing Scout and return them to their proper unit location.

Intruder: While this event is being held at a venue that will be open to the public we need to be diligent of those that are not wearing a wristband.
