All are invited to attend a day of thrilling creativity and speed as we gear up for the 2024 Pinewood Derby at Woodfield Mall. No need to be a Pack-level winner -- everyone is invited to compete in either race, design, or both.

- **Build Your Own Lego Car:** Channel your inner artist and engineer as you create your own miniature racer. The Lego racetrack is free and open to the public.
- **Real Live Full-size Race Car:** Experience the thrill of racing with an up-close look at a full-size race car.
- **Tips and Tricks Table:** Learn from the experts and gather insider knowledge on building a top-performing pinewood derby car.
- **Open Division Race:** A race for all ages including adults, where anyone can compete with their custom-built cars. Pull out those legacy racecars from years ago and try your luck!
