

“Chicago Portage Adventure” Leader’s Guide

With Updated Information on Cost and Program Features, Revised 3/23/2017

Please Note: Important changes and clarifications have been made to the information given in the original flyer for the April 21-23, 2017 “Chicago Portage Adventure”.

Who may participate: This event is for Boy Scouts, Venturers and Leaders with separate program features for swimmers/canoeists and for non-swimmers or those who choose not to canoe.

Cost: \$7:50 for event and patch, \$10:00/person/day to rent canoes, \$10:00 per person for camping at Columbia Woods (covers Friday and/or Saturday night camping).

Registration: all participants must register online (PTAC website) prior to the event. Registration will begin on Monday, March 27, 2017 and Close on Wednesday, April 19, 2017.

All attendees must have a current, **completed B.S.A. Health Form** Parts A & B (doctor’s signature not required!) with photo release. **Units** should have copies on hand at the event to present at check-in.

Canoeing Notes:

- Non-swimmers will **not be permitted** to canoe from Stoney Ford to Columbia Woods.
- A **Float Plan** may need to be filed by units. We will advise you before the event if that is necessary.
- Unit leaders who have not taken the BSA online “Safety Afloat” training are strongly encouraged to do so. It takes 10-15 minutes. Leaders should review water safety with their unit before the event. No horseplay will be permitted on the water.
- State license stickers** are required on all canoes and kayaks operated on Illinois public waters. Units bringing their own canoes and kayaks may obtain them at the sport section of any store selling fishing licenses, such as Walmart. Cost is \$6.50 ea. for the first 3 boats, \$3.50 ea. for each additional.
- Rental Canoes:** Although we have what we believe is a sufficient number of canoes available for the event, pre-registration is necessary to reserve your units’ canoes.
- Troops must have adults accompanying their scouts who are canoeing** (at least 1; 2 or more preferred), and they should paddle with their scouts in the same group. BSA requires a 1:10 ratio on water.
- The optional 2nd day of canoeing** is restricted to experienced canoeists. Units will need to have 2 adults with those canoeing the 2nd day and will be responsible for monitoring water safety for their unit. Please advise us ASAP if you intend to take part in the 2nd day of canoeing.
- Each person canoeing should have a dry bag for food, spare clothing and phones, etc.

Lunches on Saturday and Sunday, and Meals while camping are to be provided by the participants or troops. All participants should carry their own water and lunches on Saturday and Sunday.

Camping Notes:

- No ground fires are permitted at Columbia Woods. Bring fire pits/stoves.
- All garbage must be packed out.

(Continued next page)

Camping Notes, continued:

- Picnic tables are not guaranteed at the grove (To be determined—we will update)
- Units may bring trailers to the grove parking lots.
- Porta-potties will be on site.
