

Feb. 21, 2026

9:00 a.m. to 2:00 p.m.

Edison Park Lutheran Church
6626 N Oliphant Ave
Chicago, IL 60631

Imagine how great you'll feel if one of your Scouts saves a life! The First Aid Meet trains them in a way that's hard to duplicate—immersing Scouts in realistic emergency scenarios with the added pressure of time and friendly competition.

Scouts work in teams across four problem stations, where they assess victims, identify treatments, and cooperate to provide effective care. It's a powerful way to strengthen first aid skills, learn new techniques, and build leadership and teamwork.
