If you can, send all the documents in one email In order to comply with Youth Protection guidelines, scouts should copy a leader or parent on all email communication with the counselor. This merit badge requires a lot of explanation & discussion in order to complete most requirements. This class is structured to offer explanation & discussion time for scouts in a small group setting. Scouts must come to class with the preparation work done to successfully partake in the group discussions or provide acceptable explanation if they do not have prior knowledge of the requirements & answers prior to class. Scouts should formulate written answers for requirements 1 through 6. For requirement 4, we will focus on requirements 4A & 4C. Currently no components of requirement 7 will be covered in the class. Please note however, scouts who bring documented proof of completing any of these requirements will have the opportunity to share with me their accomplishments & potentially be signed off on those requirements. It is strongly recommended that scouts bring their work for requirement 7 to class. Saying you did it is not enough; you need to bring proof it was completed.
