Spend the weekend exploring the great outdoors of Hocking Hills.

On Saturday, Scouts will be rappelling off of the majestic Black Hand Sandstone cliffs. There will be several rappels, ranging from short warm-up cliffs, to a 130 foot rappel at Big Spring Hollow, where it's possible to rappel next to a waterfall.

On Sunday, you may depart early, or join us as we hike through the Hills. Scouts will get the chance to explore several of the caves that have made Hocking Hills famous.
