

COLLEGE OF
ARTS AND SCIENCES

Minor Media Release Form

Due to federal regulations set forth by the Buckley Amendment, the College of Arts and Sciences is required to ask for your permission to take your photo or video image and keep it on file.

Photos and videos are kept on file for a variety of uses (web pages, electronic media, brochures, media request, hallway photos, press releases, magazine, etc.). Most of the time, these photos and videos are only used by the College of Arts and Sciences to promote people and events throughout the College. Occasionally however, the College receives requests from other university personnel or media outlets for photos and/or videos of our students/faculty/staff.

By signing this form, you grant us permission to use any photos and videos and what you are a subject, to store them and share them for projects promoting the College and/or the University.

Thank you for your consideration in this matter.

I, _____, (printed name) the parent/legal guardian of

_____ (child's name) give permission to the College of Arts and Sciences to keep photo(s) of my child on file and use it/them for purposes identified herein.

I understand that if I decide to revoke permission to use my child's photos, I will provide a written request addressed to the College of Arts and Sciences, 213 Life Sciences East.
