

Volunteer Staff Application

Selecting adult leadership is a cornerstone of the Boy Scouts of America. At the unit level, adults with the ability to perform the necessary functions to help a Pack, Troop, Team, Crew or Post fulfill its purpose in providing the program of the Boy Scouts of America to its youth members are asked by the unit committee to fill a leadership position in the unit. Their application for that leadership position is signed by the unit committee chair and forwarded to the chartering organization for their approval. Finally, the application is approved by the Scout Executive or his designee.

Likewise, registered adult leaders are selected to help the Council fulfill its purpose in providing program support for its units. This volunteer staff application for leadership on a Council Committee or of a Council event or activity is submitted, with the approval of the chair of that committee, event or activity, to the appropriate Council Vice President. Applicants approved by the Council Vice-President are forwarded to the Scout Executive (or his designee) for final approval. All positions in the Boy Scouts of America are renewed annually.
