

# Will Rogers District CAMPOREE

## The Jedi Trials

**March 21-23, 2025    Camp John Nichols    12109 S County Line Rd, Oklahoma City, OK 73064**

### Purpose

The Camporee is designed to be a fun, teambuilding, friendly competition among troops and patrols. The events are selected to be safe, fun, and skill based. You won't be under pressure to earn badges, or to outperform others. Just fun friendly games. We won't be sitting in classes, and the focus is on leadership, teamwork, and scouting spirit. Not advancement, you have the rest of the scouting year to worry about badges and rank! 😊 Come on out and make new friends, build teams, and have fun!
