Parking

Since it is a Saturday most parking lots are open. Lot 19 is the closest to Old Central but rather small. Lots 15 and 16 are also fairly close to both Old Central and much bigger so there should be space there.

WARNING: Some individual spaces have brown signs. Please read the sign carefully. Some are reserved 6 a.m. to 5 p.m. Monday through Friday and are safe to park in. **Some are 24/7 reserved spaces, and you risk being towed if you park there!**
