 - o Service hours earned with unit leader approval
- Full Class "A" Uniform required for all participants (Scouts, Venturers, Explorers, Sea Scouts and Adult Leaders).

 - o Each participant receives an OU Ushering patch to wear and keep for their uniform.

Location Gaylord Family Oklahoma Memorial Stadium on the OU Campus.

- Pregame meeting time is **3 hours prior to kickoff outside Gate 4.**
 - o Final roster/assignments and game day info discussed prior to entering stadium as a group.
- An empty clear plastic water bottle(s) is recommended and can be re-filled at water stations inside the stadium for hydration especially during the early season higher temperature games.
- Concessions are available throughout the stadium (electronic payments only/no cash).
- OU has a clear bag policy, however due to the high traffic areas we're assigned we discourage bringing anything other than the clear plastic water bottle if at all possible.
- All of our assigned ushering areas are in the interior of the stadium with full view of the games.
- No game ticket required and with OU games continuing to be sell-outs this is a great opportunity to be part of the game day action while earning service hours!
