Camp Check-In

Campers may arrive on Friday anytime between 6 p.m. and 9 p.m. Upon arrival, you MUST check in at the Admin Building and present medical forms and SYT certificates. You will then receive your campsite assignment. Once you are checked in, you may drive your gear to your assigned campsite, drop your gear at the campsite and RETURN your vehicle to the parking area. NO vehicles will be allowed in campsites.

If you or someone in your family has special food needs or allergies, YOU must contact Laura Wilson by Nov. 2. You must let us know when you check in.

Program at Camp

AOL Adventure is designed to introduce AOLs and Webelos to the troops they may decide to cross over to. The troops will provide meals and activities for the AOLs and Webelos and their parents who are attending. This is a council event; you DO NOT

have to have a trained BALOO trained leader to attend this event.

Schedules will be handed out at check-in. Saturday will begin with an opening flag ceremony in the morning and end with a closing flag ceremony in the evening. If your troop would like to sign up for either ceremony, please contact Laura Wilson by Nov. 2. Troops will provide a short campfire program on Saturday evening.

Meals

Troops will provide meals for themselves and for visiting AOLs and Webelos and their parents so the AOLs and Webelos can see the patrol method in action.

Campsites

AOLs, Webelos and their parents will camp together in one campsite. Troops should contact Laura Wilson with their preferred campsite. All efforts will be made to assign troops to those preferred campsites.

Camp Check Out

All campers must check out at Admin Building. If you are planning to leave before Sunday morning, you must let the camp director know as soon as possible and sign out at the office as you are leaving camp.

Check out will be from 8:30 a.m.-10 a.m. All health forms and SYT certificates will be available to pick up at that time. Campsites must be cleaned before you leave to ensure no trash is left behind.
