

National Youth Leadership Training

Training youth leaders is important in helping the individual Scout and the unit grow. The B.S.A. has developed an advanced training experience that has proven valuable in training of youth leaders.

National Youth Leadership Training (NYLT) is an intensive, week-long camp experience for Scouts BSA and Ventures (Co-ed). Each participant works through a series of indoor and outdoor challenges with the mentoring of highly skilled youth staff members. Participants are equipped with the basic skills necessary to become leaders in their unit and throughout their everyday lives.

NYLT is structured to represent a month in the life of a typical Scouting unit. Participants will sleep in the outdoors, prepare meals with their Teams, and live by the Scout Oath and Law.

This course is built around the **BE-KNOW-DO** of leadership:

What a leader must **BE**

What a leader must **KNOW**

What a leader must **DO**
