**Fees:** \$50 Deposit Due with Registration

\$275 on or before May 9<sup>th</sup>

\$325 after May 9<sup>th</sup>

\$10/guest at recognition feast (optional)

National Youth Leadership Training (NYLT) is an intensive, week-long camp experience for Scouts BSA and Ventures (Co-ed). Each participant works through a series of indoor and outdoor challenges with the mentoring of highly skilled youth staff members. Participants are equipped with the basic skills necessary to become leaders in their unit and throughout their everyday lives.

During this 6-day outdoor event you will live as a member of a Team, practice skills of leadership, and learn how these skills apply in your role as a leader in your unit. The course is structured to reflect a typical month in the life of an ideal unit. It combines a series of classroom sessions with practical experience challenges that are designed to build upon each other. The course is presented by youth leaders under the direction of the Course Leader.

A participant and family orientation meeting will be held before the course on May 29<sup>th</sup> at 7pm at the Council Office.

Please see the 2024 NYLT Brochure or visit the event webpage for more information.
