**CUB SCOUT
ADVENTURE CAMP**

INDIAN NATIONS COUNCIL

Your Adventure is Waiting 2023 Cub Adventure Camp

Let's get "fired" up for Cub Scout Adventure Camp this summer at Mabee Scout Reservation! This resident style camp is a three-day and two-night program with fun around every turn. Scouts will have a chance to realize their full potential while taking part in one-of-a-kind activities. We have planned plenty of fun activities for the Cub Scouts to enjoy, including shooting sports, a waterslide, rockets, games, and STEM activities.

ATTEND AS A PACK OR DEN-Camping with your friends is the best part of Scouting. You can attend camp with your den or pack and your whole family is invited! Be sure to coordinate with your pack and sign up together!

CAN I ATTEND WITH MY SON OR DAUGHTER? You sure can! We would love to have you and BSA guidelines require one parent/ guardian for every Scout attending camp in this way.

GREAT EXPERIENCES FOR EVERYONE- Our camp offers experiences you can't get anywhere else and memories that will last a lifetime!

DATES: Session 1 - June 2-4, 2023
Session 2- June 9-11, 2023

COST: Early Bird (By May 1st)- Youth \$100
Adults \$50
Regular (Starting May 2nd) - Youth \$125 Adults \$70

WHAT WILL SOME ACTIVITIES BE? Activities this year are based on our theme: **ELEMENTAL ADVENTURE** where we focus on the 4 elements. The camp is rounded out by camp-wide activities each evening, including a movie night and the beloved campfire. The skits and songs performed by each group are famous for their silliness and fun and will be remembered by your Scout for many years. Dig into some yummy food prepared by our volunteer staff. Don't let this opportunity blow by! Dive in and get ready for an elemental weekend of fun and adventure! We will also be doing:

- Shooting Sports (BB's & Archery)
- Water Slide
- Climbing on the indoor wall
- S.T.E.M. Games & Activities

FOOD & DIETARY NEEDS: Providing healthy and nutritious meals helps to keep Scouts (...and adults) powered during their time at camp. Our menus are dietitian-approved and we do our best to accommodate special dietary needs. All meals are served in our AIR CONDITIONED dining hall.

HIGH-QUALITY FACILITIES: Your outdoor experience is important to us and we want you to have the best camping experience possible. Campsites have access to flush restrooms. Our dining hall is large and air-conditioned. Pavilions and indoor buildings for classrooms.

HEALTH & MEDICAL: Each Scout and adult attending must bring a completed BSA medical form to camp (Pack Coordinators should gather and bring it to check-in at camp). The camp will have a medical officer site during camp for any medical needs.

PACK COORDINATOR: Each Pack (or Den) needs to select at least one person to serve as their **Pack Camp Coordinator**. This person will help promote and get everyone signed up for camp. They will also help coordinate logistics on travel, and gather all paperwork to check in the group at the same time during check-in.

WHAT TO BRING? Be sure to check out the full **Camp Parent/ Leader Guide** for a complete checklist of items to bring to camp. In general you will need to bring:
