F.A.Q.

Q. Can a Pack sign up and use this as our fall campout?

A. YES! We highly encourage your pack to sign up together and enjoy the great outdoors.
Please sign up as a Pack.

Q. If Pack members sign up individually online will we be grouped together at the event?

A. Yes, we will group Packs together as much as possible. If a Pack group is too large, we may split so they can travel to each activity area and enjoy the activities without being too crowded. Conversely if a Pack only has a small number of participants, they may be grouped with another Pack to ensure group sizes are close to equal for the activities.

Q. The flyer mentions a “continental breakfast”, what will be provided and are we responsible for other food at the event?

A. For the continental breakfast expect individually wrapped breakfast pastries (muffins, donuts, etc.), juice, coffee, etc. Additional meals (Saturday lunch) should be brought by the participants or coordinate within the Pack.

Q. Can our Pack come on Friday and campout?

A. No. The Spook-O-Ree is scheduled to begin on Saturday at 7:30 AM. We will be busy setting up the event Friday evening and will not have the ability to help units check-in to camp or get settled before Saturday morning.

Q. Are costumes needed?

A. We ask that Scouts DO NOT bring costumes. Fun decorations or simple items for a campsite are encouraged but we want to avoid costumes in an outdoor setting on a camping trip.

Q. Can families come out just for the day? What is the cost?

A. Yes, participants may come out for just the day and not camp if they wish. They will still need to register online and pay the \$15 per youth and \$10 per adult and provide their own lunch on Saturday.

Q. Is this event for new Scouts only?

A. No, this event is for ALL new and current Cub Scout families. We encourage you to invite a friend or family to show them the fun and adventure that awaits them in Cub Scouts but all that attend need to be registered Scouts for insurance purposes.

Q. What does “Family Camp” mean? Are siblings that are not in Cub Scouts allowed?

A. Cub Scouting is a family program, and this event invites all family members to join in the fun. The activities are geared toward Cub Scout age youth, so younger siblings or teenagers are welcome but need to be aware of the target age for this event.

Q. What are some of the activities offered?

A. The events are based around a Halloween theme. Some of the activities offered include Cub BB, archery, Pumpkin activities and more!

Q. We are new to Cub Scouts and don't have a lot of camping experience, what do we bring?

A. First, check with your Pack. They most likely have a lot of experience and may have some equipment to loan or share for your first campout. If not, we've attached a list that you can review. We are happy to help answer any questions and get you going in the right direction.

Individual Campout Suggested Checklist

Check within your Pack for additional resources

A Cub Scout uniform is highly encouraged for the event for campfire and flag raising. Sturdy shoes (no open toed shoes/ sandals) for hiking will be useful. The following is a list of suggested equipment that would be useful.
