

Canoeing Shakedown Weekend

April 10th – 12th, 2026
Zink High Adventure Base
Cost \$40 per person

- For Scouts wanting to test their canoeing skills - shakedown weekend for preparation for Northern Tier or Swamp Base Canoe trips. Only register for this event if you are a crew preparing for a high adventure canoeing program.
- For Scouts wanting to develop their canoeing skills or work on the merit badge, Individuals, small groups, and beginners should look to our Canoeing Merit Badge Weekend in the summer.
- This event is intended for units planning to attend a high adventure canoeing program. **You will stay together as a crew for the weekend.** No merit badge material teaching will be covered (Scouts may complete the cooking and trek requirements during the weekend). This is purely a shakedown for your high adventure treks, such as Northern Tier or Swamp Base.
- All food provided. Stoves, Fuel, and Cooking gear provided. **But, we recommend you bring the crew gear that you plan to take to Northern Tier/canoeing trek to test it out over the weekend.**
- Must be at least 13 years of age and 2nd Class rank or above (Need instructor approval for exceptions).
- Completed BSA Health and Medical Form with parts A & B turned in at check-in.
- Course will run from Friday evening to Sunday afternoon. Participants need to be present for the entire time.
- Adult leadership provided. Adults wishing to participate may do so at the same cost.

We seek to make this shakedown as realistic to Northern Tier as possible. You'll receive your food portions, and work through trail roles, bear bags, campsite routine, and cooking like you will at Northern Tier or Swamp Base. You will remain together as a crew and camp in the back country of ZBase.

***** Advance registration is required no later than March 31st, 2026*****
