INDIAN NATIONS COUNCIL  
BOY SCOUTS OF AMERICA®

4295 S. Garnett Road • Tulsa, OK 74146

Dear Pine Tree Candidate:

CONGRATULATIONS! Upon recommendation of your Scoutmaster, you have been accepted to attend Pine Tree **Troop 141** Leadership Training course. The course will be held at the Bartlett Training Center / Mabee Scout Reservation (Locust Grove) **Thursday, October 15 through Sunday, October 18, 2026**.

**On Thursday, October 15, you should not arrive at Bartlett before 3:00 PM, nor later than 5:00 PM.** Tardiness, for whatever reason, will not be allowed! This course is conducted on a very tight schedule, it must, therefore, begin on time and remain on time. Allow at least a one-hour drive to Mabee Scout Reservation from Tulsa. Please expect heavy traffic and leave early. Be sure to bring all items on the personal equipment list. Do not bring items not on the list. Report to check-in in proper Scout uniform for Pine Tree (as described on the personal equipment list). **Note: electronics of any kind are not permitted.**

Opening ceremony will be held promptly at **5:30 PM** on **Thursday, October 15**.

**Closing ceremony will be held at 3:00 PM on Sunday, October 18, 2026.**

Parents, family, and Scoutmasters are invited (and encouraged) to attend both ceremonies. Ceremonies are approximately one hour long. There is a brief meeting after the opening ceremony to share emergency contact and social media information.

After closing ceremony, be sure to collect health forms and all belongings as you're saying good-byes.

One of the traits of a good leader is good communications skills. Your first assignment in communication is to share the date, time, and place information above with your parents / guardians so that you will arrive on time.

All participants are required to attend the **full** course! If you miss the opening or any part of the course, it cannot be made up. **You must be prepared to arrive on time and remain for the entire course.**

Read the enclosed personal equipment list very carefully. Bring everything (and only those things) that appear on the list. It is important that you prepare your uniform to match the required uniform list. You **MUST** be in proper uniform to be admitted to the course. We suggest you read and be familiar with the information in the ***Patrol Leaders Handbook*** and the ***Scout Fieldbook*** **before** arriving to the course.

**Required: BSA Health Form parts A and B, plus a copy of health insurance card must be turned in at Check-In. Scouts cannot remain on course without health forms.**

If you cancel your attendance, notify the Scout Service Center as soon as possible:  
**918-743-6125 or 1-800-367-1272. Please notify the Pine Tree Scoutmaster also.**

The Pine Tree Leadership Training course will present you with a challenge unlike any other you may have experienced so far in your Scouting career. You will participate in a training adventure you will long remember.

Pine Tree prides itself on representing the highest ideals of Scouting. Conduct unbecoming of the Scout Oath or Law has no place at Pine Tree and will not be permitted. You must prepare yourself both physically and mentally now. **Be Prepared! Know your basic Scout skills (i.e., knots, lashing, first aid, cooking, fire building, etc.) before you attend this course.** Be prepared to give 100% effort at all times during the course, regardless of the situation or adversity. Come prepared to have a great learning experience!
