### F.A.Q.

**Q. Can a Pack sign up and use this as our fall campout?**

A. YES! We highly encourage your pack to sign up together and enjoy the great outdoors.

**Q. If Pack members sign up individually online will we be grouped together at the event?**

A. Yes, we will group Packs together as much as possible. If a Pack group is too large, we may split so they can travel to each activity area and enjoy the activities without being too crowded. Conversely if a Pack only has a small amount of participants, they may be grouped with another Pack to ensure group sizes are close to equal for the activities.

## Information Sheet

**Q. The flyer mentions a “continental breakfast”, what will be provided and are we responsible for other food at the event?**

A. For the continental breakfast expect individually wrapped breakfast pastries (muffins, donuts, etc.), juice, coffee, etc. Additional meals (Friday dinner and Saturday lunch) should be brought by the participants or coordinate within the Pack.

**Q. We have some members that can attend one but not the other, can our Pack do both?**

A. Yes, if it is more convenient for some families to attend the October 9-10 event and others to attend the October 23-24 event that is great. We offer two dates just for that reason.

**Q. What if our Pack wants to camp out another night after the event is over?**

A. The Cub Scout Family Weekend Adventure is scheduled to end on Saturday at approximately 3:00 PM. If the Pack wishes to do a new Pack only event they will need to reserve through the Scout Office and be willing to follow rules for unit camping (have a BALOO Trained person on-site, provide leadership, follow the Guide to Safe Scouting when offering any activities, etc.). Shooting ranges and other council provided equipment will not be available for checkout.

**Q. Can families come out just for the day? What is the cost?**

A. Yes, participants may come out for just the day and not camp if they wish. They will still need to register online and pay the \$5 per person and provide their own lunch on Saturday.

**Q. Is this event for new Scouts only?**

A. No, this event is for ALL new, current and prospective Cub Scout families. We encourage you to invite a friend or family to show them the fun and adventure that awaits in Cub Scouts.

**Q. What does “Family Camp” mean? Are siblings that are not in Cub Scouts allowed?**

A. Cub Scouting is a family program and this event invites all family members to join in the fun. The activities are geared toward Cub Scout age youth, so younger siblings or teenagers are welcome but need to be aware of the target age for this event.

**Q. What are some of the activities offered?**

A. The events are based around a space theme. Some of the activities offered are: Cub mobiles (a.k.a. space shuttle); wrist rockets, star wheel chart, stomp rockets, Alka seltzer rockets; Bobcat rank station – for new or prospective Cub Scouts, Tulsa Air and Space Museum, and more.

**Q. We are new to Cub Scouts and don’t have a lot of camping experience, what do we bring?**

A. First, check within your Pack. They most likely have a lot of experience and may have some equipment to loan or share for your first campout. If not, we’ve attached a list that you can review. We are happy to help answer any questions and get you going in the right direction.
