Event Registration

Class Sign-Ups

For summer camp, merit badge and activity sign-ups open on May 1st at 8:00 AM. Participants must be paid in full before signing-up for classes.

- Click on Update Information to edit the individuals registration.
- Click on select classes in the Class Schedule section.
- Once classes have been selected, they will show up here.
- Click on the printer icon to for a printout schedule.
- Registration contact can also run a schedule report with all participants under the report tab on the main registration page.
- How to add or remove a class can be found on the next page.

For a guided video on how to sign-up and select classes, please visit:

For more information about program offerings: including merit badges, outbounds, or activities for summer camp, visit the Camp Portals at: www.cpcbsa.org/CampPortals

Event Registration

Class Sign-Ups

Use the Search box to find a class by name or the time drop down to narrow classes down by the time period offered.

- Add a Class: Under the blue Available Classes box, click the class to add to participants schedule
- Remove a Class: Under the green participants Classes box, click to remove a class from their schedule
- Waitlist: May be placed in a waitlist if a class has reached capacity, will be notified if moved into the class.
 - Most summer camp merit badges have no capacity limit.
- Merit Badges marked LOTTERY: For summer camp merit badges that are a lottery for sign ups, all participants will enter the waitlist when signing up. Will be notified if moved into the merit badge.

Click on View All Classes to see the Class Catalog, also found in the Attachments section on the registration.

Additional class fees may apply. Classes may have restrictions such as a age or rank requirement. Other notes about the class or prerequisites, or merit badge requirements that cannot be covered in one week at camp are listed.
