How to Pay by eCheck (ACH)

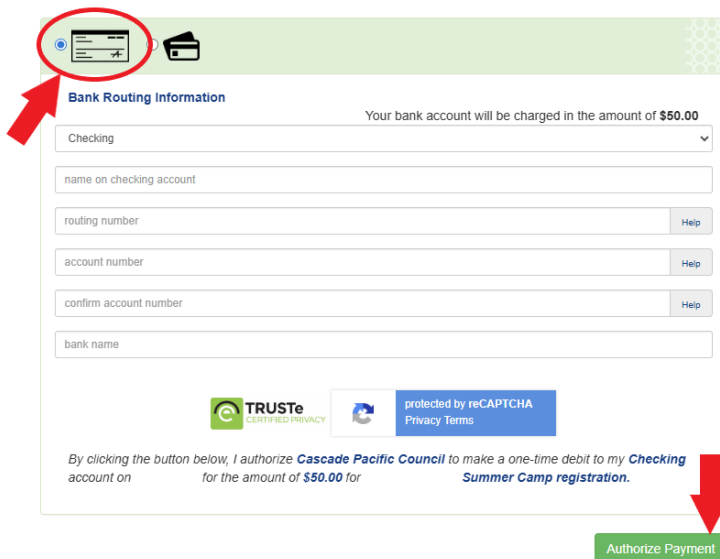

Step 1: Log into your registration.

Step 2: Navigate to the Payment tab section and select **Checkout**.

Step 3: Choose **eCheck / ACH** as your payment method (the check symbol).

Step 4: Enter your bank name, name on account, routing number, and account number.

Step 5: Review and submit your payment.

The screenshot shows the 'Bank Routing Information' form. At the top left, there are two icons: a check icon (circled in red) and a credit card icon. A red arrow points from the check icon to the 'Authorize Payment' button at the bottom right. The form includes fields for 'Checking' (a dropdown menu), 'name on checking account', 'routing number', 'account number', 'confirm account number', and 'bank name'. Each of the last four fields has a 'Help' link. Below the form, there are logos for 'TRUSTe' and 'protected by reCAPTCHA'. A green button labeled 'Authorize Payment' is at the bottom right.

Helpful Notes:

- Ensure the bank account allows ACH withdrawals.
- Double-check routing and account numbers before submitting.
- Funds are typically withdrawn within 1–2 business days.

Finding Your Routing & Account Number

- These numbers can be found at the bottom of a paper check.
- Many banks also display routing and account numbers within online banking under account details.
- Contact your bank directly if you are unsure.
