The Scout Law is OUR law

YOU BELONG HERE

We Are:

- **Confident** in our value, strength, and the perspectives we contribute.
- **Humble** in acknowledging that we don't have all the answers.
- **Grateful** for what we have and for those who support us.
- **Helpful** as we work together to learn, grow, and make things better.

We are all unique, evolving, and valuable works in progress.
