

## Unit Renewal Pennsylvania Required Background Check Affirmation Statement

I am aware and understand that all registered volunteers in my unit, regardless of position, are required to obtain and submit all state-mandated clearances (details of required clearances are available at [Background Clearance information - Scouting America](#)). I am aware and understand that all new volunteers must complete their clearances to submit along with the BSA Adult application before volunteer service begins.

By signing below and returning this document as part of my Unit Renewal, I am affirming that:

- \* All of my registered leaders have current Pennsylvania State Police Criminal History Clearance, Child Abuse History Clearance, and either an FBI Fingerprint Based Criminal History Clearance or Pennsylvania's Disclosure Statement Application for Volunteers.
- \* For any clearances expiring on or before 1/31/2025, new clearances have been submitted to the Juniata Valley Council.
- \* Any adult that does not have current clearances has not been renewed for the unit and have been informed that they may not resume volunteer service until they have submitted new clearances.
