

## IOLS: Introduction to Outdoor Leader Skills

**Who should take this training:** For Scouting America leaders (especially new Scoutmasters and Assistant Scoutmasters), Venturing leaders, and Cub Scout leaders that want more outdoor experience. The course gives you experience working as part of a Patrol and upon completion, leaders will feel comfortable teaching Scouts the basic skills required to obtain the ranks up to First Class.

**Why should I take this training:** Scouting's outdoor program is a critical part of how the Scouts BSA program develops

young leaders. While camping or participating in other outdoor events, your Scouts will challenge themselves to learn skills they've never tried before or maybe didn't think they could do. In doing so, your Scouts will work together as a team to overcome adversity when things don't go as planned; this is truly the magic of Scouting that no other program does as well. To safely offer Scouting's outdoor program, you'll learn how to build fires, use an axe, earn knots and lashings, use a map and compass, responsibly care for the outdoors, and much more. Even if you weren't a Scout as a kid, you'll come out of this course looking and acting like a seasoned camper. This course, combined with Safeguarding Youth Training and the on-line Scoutmaster Specific Training course, will make you an "fully trained" Scouts BSA leader.

**Location:** Kurtz Cabin at Wald Village, Seven Mountains Scout Camp

**Accommodations:** You will be sleeping outside in tents / hammocks. If you have a special need or mobility issue, please bring it to our attention when you register or contact Larry Schul.

### What to Bring:
