I can't go to Summer Camp with my Troop or Crew, can I still attend?

Absolutely! It is great for Scouts to attend camp with their Troop or Crew, but sometimes sports, extracurricular activities and vacations make that difficult. We also understand that units attend High Adventure Base Camps and Out of Council summer camp programs but not all scouts can make it; and sometimes scouts enjoy Summer Camp so much that they are interested in attending a second week.

If any of these pertain to you, scouts can make arrangements to come to Seven Mountains Scout Camp as a Provisional Scout and stay with another troop for the week of summer camp. Scouts should contact local troops or crews they have connections with to discuss camping with them, however if needed, you can also reach out to the camp director to help identify another Troop to connect up with.

- All adults attending must have Criminal Background Checks/Clearances as required by PA ACT 15 on file with Juniata Valley Council
- Two (2) adult leaders from each troop/crew are required for each session that scouts are attending per Scouting America Youth Protection Guidelines
- Additional meal tickets can be purchased at the Camp Trading Post for \$12.00 per meal.
- Unit Leaders will setup an online Group Reservation through the JVC Calendar to register individual scouts
  - \* Individual Scouts: please contact your scoutmaster or designated summer camp unit leader first as they will coordinate individual registrations and payments for their respective units

\* If preferred, online credit card payments can be processed once the initial Group Reservation is started

# Scouts BSA Summer Camp

## Why Scouts BSA Summer Camp?

Resident Camp is an opportunity for Scouts from 11 years old to 17 to come to camp for an experience of a lifetime. There are various programs designed around age specific merit badges and activities.

Every week we have activities that are designed to test individuals, patrols, troops, and even the whole camp. Scouts will have the opportunity to advance while having fun with the rest of the Scouts in their patrol, troop and the camp.

## I can't attend with my troop can I still come another week?

Absolutely! It is great for a Scout to come with their troop, but sometimes sports and vacations make that difficult. Scouts can come to camp as provisional Scouts and stay with another troop any week of camp. Scouts can also come back for the second week of camp and stay as a provisional Scout.

Scouts that are interested in attending camp as a provisional Scout may contact the camp director or email [jvcinfo@scouting.org](mailto:jvcinfo@scouting.org).

## What should I expect?

A week full of fun! We have our Summer Camp staff trained to give you the best experience that Seven Mountains Scout Camp can offer. From learning Scout skills in Netami (first year campers) to kayaking in the lake and to the shooting ranges on the hill we have loads of fun to offer.

# Netami and Volunteer Staff

## Scouts BSA

### Netami Program

Are you just starting out on your Trail to Eagle? The Seven Mountains Scout Camp Netami Program is a perfect program just for you! This program is designed to orient new Scouts to camp and provide a camping experience, while also giving them an opportunity to learn the skills needed for Tenderfoot, Second Class, and First Class ranks.

The Netami Program will be offered throughout the Merit Badge instruction time during the day. This allows the new Scouts the time to work on their advancements, and allows them the time to be involved with their troops and other camp-wide activities.

The Patrol and Troop methods are key building blocks to a successful Scout Program, so we run our Netami Program just like a Troop. When you and your Troop arrive to camp you will meet our Netami Scoutmaster who you will work with throughout the week. They will be your guide and help you and the other Scouts form Patrols that will work together and have fun throughout the week.

# Monaken Lodge #103

The Order of the Arrow is part of the experience of Sumer camp at 7MC. Once again, Monaken lodge is going to be integrated into summer camp in three BIG ways.

The first way is that we will have a resident Camp Chief as a member of the Summer Camp staff. They will be there to coordinate OA activities, answer any questions about the OA and come around to your campsites to check in (bearing gifts, of course)

The second way, Wednesdays will be declared OA Day. All Arrowmen will be encouraged to wear their sashes at breakfast and dinner, and to the outdoor "Block Party". The Block Party will be a several hour program after Wednesday's dinner that will include yard games (corn hole, ladder golf, horse shoes etc.), an opportunity to join in a native Drum demonstration, Gaga Ball and a lodge memorabilia display. All activities will be hosted by Arrowmen to ensure participants can get any help they need and to keep things fun. Immediately following the block party will be an ice cream social for Arrowmen to bond in brotherhood.

The third way may be no surprise to you, we will have our regular Callout ceremonies for both Ordeal and Vigil Candidates. As a reminder, the Vigil Callout is the second week only.

Additionally, I encourage all Arrowmen to continue their pledge of "cheerful service" by joining the summer camp staff. This is a powerful way to make a direct impact on Scouting's future leaders.

As we continue to refine our plans, more activities or revisions may come up. However things shake out, Monaken Lodge is happy to be of service to your Unit and the camp. See you in July!

Yours in Brotherhood,

Antony Manuilov  
Monaken Lodge Chief
