

MORAIN TRAILS COUNCIL DAY CAMP PARENTS GUIDE 2021

2021 COVID Policy

Effective as of March 1, 2021, subject to change

All participants, youth and adult, will be given a **health screening and temperature check each day** prior to camp. Please do NOT send your child to camp if they exhibit symptoms of COVID or other illness.

Cloth or disposable face masks or plastic face shields must be worn to camp.

Policy is subject to change and is based on current recommendations given by the Pennsylvania Department of Health and Boys Scouts of America. Any changes will be relayed to parents prior to camp. To discuss medical exceptions, contact Camp Director, Amy Kamis.

What does my Scout need to bring to camp

In a backpack, cinch pack, or equivalent bag (marked with the Scouts name) each Scout should bring the following:

- | | |
|---|--|
| ✿ Medical form* | ✿ 6 Essentials of Scouting: |
| ✿ Cloth or disposable mask or plastic face shield (consider sending more than one in a their backpack | ✿ Personal first aid kit |
| ✿ Brown Bag lunch -Please provide food for your Scout that does not need to be refrigerated | ✿ Water bottle, filled each day |
| ✿ Closed toe shoes (<i>must be worn at all times</i>) | ✿ Flashlight |
| ✿ Swim towel | ✿ Sun Protection, both sunblock and a hat! <i>Sunblock cannot be shared.</i> |
| ✿ Rain gear | ✿ Whistle |
| | ✿ A snack will be provided in the afternoon for all Scouts |
| | ✿ \$ for the Trading Post |

What time should my Scout be there?

Registration begins at 8:00 a.m.

Camp begins promptly at 8:50 a.m.

Dismissal is 4:00 p.m.

What happens if a Scout needs to leave camp early?

If a planned early dismissal is needed, the parent/guardian needs to provide a signed, written note when registering their Scout for the day. When you come to pick up your Scout, you need to check out with the Health Officer, Camp Director, or Program Director before leaving. Proper identification will be required.

If an unforeseen early dismissal is required, parental permission can be made over the telephone to two adult staff members of which one must be the Health Officer or Camp Director. The staff members will both write down the verbal instructions and sign the document, proper identification will still be required.

What activities will my Scout be participating in?

Shooting sports (BB and archery), water games, skits, songs, crafts, scout skills and much, much more!

Can I visit my Scout at Camp?

YES! We do ask that you please register in and out so we know when you enter and exit a camp. A wrist band will be issued.

What if I have additional question before camp?

Camp Director, Amy Kamis, at 724-996-7645

Gilpin Program Director, Jackie Gross, 814-883-8845

Agawam Program Director, Rita Ditch, 412-389-0556
