

Personal Equipment Checklist

(This form is for the participant's use and does not need to be turned in)

=====

You are packing for a two-weekend camping event. Adjust the quantities of gear according to what YOU need for such an activity. There will be limited time to wash clothes (camp-style) so if you think you need more spare items do bring them. One T-shirt will be provided and used as part of your "Activity" uniform. Only the official uniform parts are acceptable. (Be prepared for an outpost hike as well as living in camp).

TRADING POST

There is usually no trading post available for two-weekend courses. However, everything you need for the NYLT course is provided to you and included in your registration fee. You do not have to bring extra money.
