Application Acknowledgement

I understand that I am applying for a position with the Boy Scouts of America, Laurel Highlands Council. I will meet the minimum age requirements for the position for which I am applying by June 1. I understand that camp preference will be considered, however, I may be assigned to a camp and position dependent upon the current needs of Camp Seph Mack Adventure Base. If I am offered a position, I understand that I will be required to register with the Boy Scouts of America if I am not already. This will require me to complete mandatory Youth Protection Training and pass BSA and Commonwealth of PA required background clearances.
