Location

Beaver Valley Mall

Emergency Procedures

First Aid:

ALL FIRST AID MUST BE ADMINISTERED BY THE MEDICAL STAFF.

1. Medical treatment must be given no matter how slight the injury or illness.
2. Always use the Buddy System and 2 deep leadership.

Lost Person:

IF A SCOUT IS MISSING, YOU MUST FOLLOW THESE PROCEDURES:

1. Immediately notify the closest staff member with this information
 - a. Name of missing Scout
 - b. Their age and unit #
 - c. Where the missing Scout was last seen and by whom
 - d. What color shirt or jacket the Scout was wearing
2. Staff will check to see if a medical condition may be responsible for the missing Scout and notify "finders" as appropriate.
3. Take account of all other children under your supervision. Make sure two buddies didn't leave for the bathroom without telling a responsible adult.
4. Remain where you are (station, campsite, etc.) as this is where a wandering Scout is apt to return.
5. Maintain control of the remaining children. Have them sit where they are and give them a job to do

IF THE PERSON IS STILL MISSING:

1. A camp-wide alarm will be issued. (Three short bursts from an air horn)
2. When this alarm is heard, all campers and staff should stay where they are.
3. Adult participants need to count heads to ensure that all Scouts are present and accounted for. Further instruction will be given at that time. Everyone should remain QUIET and CALM. It is very important that everyone be able to hear instructions as they are given.

Fire Plan:

If a fire has been spotted, we will follow the mall's fire protocol.

Event Descriptions

Pinewood Derby

2 Volunteers are needed per race. Each Pack is asked to have volunteers. Please utilize the signup above. RACE RULES POSTED ONLINE SEPERATELY.

Cub Scout Advancement

New this year we will be trying to have scout skill teaching offered throughout the day. This will be based on the volunteers that we are able to get to help. Scout knots, first aid, camping, etc. are all topics that will be evaluated along with rank advancement topics. As these become finalized, please lookout for additional information.

First Aid Meet

The Scouts BSA patrols will be competing in the annual first aid meet. The specific details for this will be located on the council calendar signup. **We will need 2 additional adult volunteers to help score all the patrols.** SEE SEPARATE LEADER'S GUIDE

Scouts BSA Rank Advancement

New this year we will be trying to have scout skill sessions throughout the day. This will be based on the volunteers that we have available for teaching. The focus will be on "Trail to first class" topics that we can do in the mall. As these become finalized, please lookout for additional information. SEE SEPARATE LEADER'S GUIDE

Scouts BSA Merit Badges

We will look to offer merit badges throughout the day for scouts. The classes that will be available and times will be dependent on the volunteers. As these are finalized additional information will be sent. SEE SEPARATE LEADER'S GUIDE
