Welcome Everyone to our Fourth Year of Courage Con!

We are back, and trying some new things this year. The team is very excited to have everyone back in camp and having fun sharing our hobbies with you all.

It's hard to believe this all started just four years ago now. While much has changed, so much has stayed the same. And all of it is driven by you scouts. Without you attending year after year we would not have this event to offer. Every year we spend months looking at ideas and tweaking existing plans, picking new games to offer. All preparing knowing that you all are coming. Our event here has become one of most popular events of the Scouting calendar for those that make it in. For that we are humbled by your trust in us to continue to run this event. We hope that we can make as much con magic for you as we can throughout the weekend. So remember our scout law as you play and make new friends.

Now I would like to take a moment like aways and thank the staff. Without all the support and help from everyone this event would not be what it is. Amanda Bradley helping me find and fix problems, newer official staffers like Matt Snodgrass being flexible to help make scouts smile. To all our existing staff, like Nathan Bradley, and Ralph Strahler jumping into new roles, helping to expand our offerings. At this point our staff has finally expanded out enough that I really cannot name them all here, there just isn't enough room to express my gratitude for all the hundreds of small to large things that get done to support this event. From donations, to communications and promotions, and back again. So let me wrap up my staff moment, by welcoming Amanda Erikson, Steve Leslie, Kristopher Cummings, Lauren Brodt as new staffer's this year. Stay tuned to the opening where I'm sure we will have a few more last-minute additions! Thank you all for all of your hard work and continuing support.

As we continue through the weekend, please remember that we are here to have fun, enjoy fellowship, and try new things. There is great joy in being a friend to everyone, and experiencing the world through differing perspectives. Games are a gateway to finding who we are, and to learning new things. Here in this place is an opportunity to share food, fellowship, and friendship all while winning and losing as teams. Get out there and make new friends, try new things, and be great Scouts!
