Advanced Trail

"The Trail From Lion To Eagle"

This year's Advanced Trail will be a full day hike and an advanced test of both Cub Scout and Boy Scout skill on the Trail from Lion to Eagle. Teams of two (three if needed) will participate in a variety of activities in competition, teamwork, service, games and Scout Spirit.

Teams on the Advanced Trail will compete for first and second place trophies and the bragging rights as King Of The Trail! Judges and adult leadership will be provided for the event and leaders may join the event but strictly as spectators. The judges will make the final decision on the winning teams.

The teams will be judged on the best foil pack lunch for the cooking competition. One communal fire will be built by all the teams for foil pack cooking and ample time will be provided to cook. The teams will need to provide a sample of their foil pack to the judges.

All gear (as listed below) should be properly packed in a backpack for hiking.

This event will start on Saturday at 0930 on Miller (Cub) Dining Hall Porch with a pack shakedown.
