HAWK MOUNTAIN COUNCIL

Herbie Hawk Model Unit Program

At Hawk Mountain Council we recognize the many units that support our council, including many units outside the council, with their participation, help, and support throughout the year. In 2023, we want to recognize these “Model Units” with a 5% discount on summer camp and are calling it our **HERBIE HAWK MODEL UNIT PROGRAM**. This program is intended to provide an added incentive for units to use the great program and resources we have at Hawk Mountain Scout Reservation, and it is also another way to help those who struggle to meet the never-ending challenge of rising costs. Both in-council and out-of-council units may apply to be a Herbie Hawk Model Unit if they meet the qualifications stated below.

To qualify a troop must meet any three (3) of the following requirements:

- Your Unit sends two adult attendees to Scouting U (February 4th) and 100 % of your units’ leaders are position trained.
- Send Scouts and Adults to HMC NYLT or Wood Badge or any combination in 2023, including staff.
 - Troop Size Under 10 = 1 attendee
 - Troop Size 11 to 30 = 2 attendees
 - Troop Size 30 to 50 = 3 attendees
 - Troop Size 51+= 4 attendees
- Your Unit sends 75% of registered youth members to a HMC District Klondike.
- Your Unit has attended HMSR in the following years 2021 or 2022.
