

COWBOY ACTION SHOOTING

This program offers a fun and safe introduction to cowboy action shooting with pistols, rifles, and shotguns. While attending camp, Scouts BSA and Venturers 14 years of age or older can take part in a special shooting experience with opportunities to shoot single-action, .22-caliber pistols, lever action .22-caliber rifles, and 12-gauge or 20-gauge shotguns. All of this is done in various old-time western scenarios. The cowboy action shooting program is conducted by NRA-certified instructors. Each participant will be accompanied by a certified instructor who is active in every shot and all the gun handling. Participants will be required to always wear eye and hearing protection while on the range. Scouts are expected to abide by all safety rules and the instructions of the Range Safety Officer(s). BSA YPT policies for two-deep leadership must be always maintained.

*Note: The Cowboy Action Shoot is a time consuming activity relative to the instructors and safety measures required to keep our Scouts safe and provide them the best experience. To ensure the best opportunity for everyone to participate, especially in weeks with high numbers of Scouts, we conduct a lottery for the Cowboy Action Shoot. **Scouts are NOT charged until they are selected. If a Scout is selected, and then chooses not to participate, that selection will then be chosen by a further lottery. There are no transfers.***
