

Hawk Mountain Scout Reservation

Dietary Form
2024t

HMSR strives to serve its campers nutritious meals. Our menus are reviewed and approved by a licensed dietitian. To meet the needs of participants with special dietary requirements due to allergies, food intolerances, or other health issues, as well as those who follow alternate diets for ethical or religious reasons, it is necessary to obtain as much information as possible prior to your arrival at camp.

Please be as specific as possible regarding the exact nature and severity of any allergy or intolerance. This information is necessary to determine how we can properly and best meet these needs. While we attempt to provide meals which meet these special needs as much as possible, it is still the responsibility of the individual to avoid those foods which they are unable to eat. It may often be necessary for the camper to bring special food items, which can then be stored and prepared by the camp staff. While we work hard to accommodate as many special food needs as we can, in some cases we may ask you to bring supplemental food items with you to camp in accordance with national health and safety guidelines.

The form below is very important to our Food Service Area. For us to make these adjustments for your Camper/Adult we need to have these forms **prior to May 30, 2024**. Please send these forms to Michele.Bement@scouting.org Forms submitted at check-in will be accepted but provisions may not be readily available. To discuss your form please contact Michele Bement at 570-754-7552.

Name: _____ Unit #: _____

Dates attending camp: _____

Contact Name for further information if needed: _____

Relationship to Camper: _____

Phone: _____ Email: _____

Food Allergies: Yes No

What are they? _____
