

CUB SCOUT RESIDENT CAMP

Dear Leaders and Parents,

I hope you are ready for a fun-filled event at Hawk Mountain Scout Reservation. We are very excited you are coming to camp and want to help you be prepared.

Sunday afternoon please arrive at 3PM. Park your vehicles in the parking area and come to the Welcome Center pavilion for check-in. At that time, we will give you a map of the camp, a schedule, menu and emergency procedures. After Check-In load all your gear into the white truck which will transport the gear to the site. Have your cubs and adults walk to the site. Please relay these instructions to all the adults who are driving to camp. They will not be able to drive their cars up to the site.

At check-in you will be asked to turn in your filled out pack roster (attached) and you will be given your sleeping site. We have platform tents with 2 cots in each. Each tent has 2 cots. Please make sure that your Cubs look at the packing list and pack for the weather.

You should bring with you filled out Health Forms Part A & B for each participant. These will be turned into the Health Lodge Staff at check-in.

After check-in participants will be taking their swim tests. Please make sure you have your swimsuits and towels in your day packs as your luggage might not be at your site yet. If you have already done a swim test please have those forms with you when you go to the pool.

While you are at camp the Trading Post will be open. It is possible that the Cub Summer Program Patch will not be in yet. If that is the case, we will mail it out to you.

If there are any adults and youth who have not turned in their Dietary Needs Form, please fill out the one attached and send it to me as soon as possible. We have a new kitchen crew this year from Upper Crust, and we want to make sure that they have the information ASAP to be able to meet your needs.

Leaders and parents are responsible for the supervision and safety of the youth in their care. Remember this includes teaching Cubs proper behavior in public places and courtesy to other participants. All the staff here will be working hard to make sure your experience is a good one. Part of our goal is to teach our Scouts to leave a place better than they found it, and we will need your help to do that. Thank you in advance for that.

The event will end Sunday morning after breakfast.

THANK YOU FOR PARTICIPATING!
