BLACK ROCK DISTRICT KLONDIKE DERBY 2026

HAWK MOUNTAIN COUNCIL

Dear Senior Patrol Leader and Scoutmaster,

The 2026 Klondike Derby promises to continue our great tradition of winter adventure in the Black Rock District! We have an exciting lineup of challenges and activities planned this year, and—as always—we’re counting on your enthusiasm and support to make it a success.

First, please take time to review the attached booklet and become familiar with the event details. There are a few updates from past years, and understanding them will help ensure a smooth and fun experience for your Scouts.

This event is built around the **Patrol Method**—a chance for Scouts to lead, problem-solve, and work together without direct adult involvement. To keep that spirit alive, we ask that adults and leaders allow Scouts to navigate the course and complete challenges entirely on their own. Encouragement is always welcome, but please refrain from assisting or coaching patrols once the competition begins. This independence is where the true lessons of the Klondike are learned.

That said, we absolutely **want and need your help!** The Klondike can’t happen without our dedicated leaders and senior youth. If you’d like to be part of the action, consider volunteering at a station or helping with event operations. **Scoutmasters, assistant Scoutmasters, and SPLs are encouraged to reach out to Chuck to learn what roles or responsibilities they can take on during the day.** Volunteers play a vital role in keeping the event running smoothly and ensuring every Scout has a great experience—it’s also a fantastic way to see the Scouts in action.

Please don’t hesitate to reach out before the event with any questions or suggestions. The Klondike is all about fun, learning, and teamwork, and your involvement ensures every Scout gets the most out of it.

At the end of the day, our goal is to help each patrol test its skills, build confidence, and learn where it can grow. Leaders may request a copy of their patrols’ score sheets after the event for review and feedback.

Yours in Scouting,
Chuck Faust
Activities Chair

Note: Adults are asked to allow Scouts to complete the course independently. If you’d like to see the Scouts in action, the best seat in the house is as a volunteer! Your help makes this event a success and ensures the Klondike remains a fun and rewarding experience for everyone.

BLACK ROCK DISTRICT KLONDIKE DERBY 2026

Basic Information

Date: Saturday, January 31, 2026 (Event held rain, snow, or shine)

Time: 8:00 a.m. to 4:30 p.m.

Place: Hawk Mountain Scout Reservation

Registration: <https://scoutingevent.com/528-107106>

Registration closes on **January 25, 2026 at 11:59 p.m.**

On the day of the event, a Unit Leader or SPL must check in at the Administration Building with a completed Derby Roster listing all Scouts and adults in camp. Everyone on camp property must be checked in and wearing a wristband. All vehicles must remain in the parking lot. Any registration received after the deadline will be \$30. Day of event registrations will be \$35.

Starting Time: All Patrol Leaders must arrive at camp with their patrol and sled between 8:00 and 8:45 a.m. Teams are to arrive at this time as well. They must report outside the Administration Building for check-in.

Stations will last 30 minutes, and sleds will be given 15 minutes to travel between stations. Lunch will be 1 hour and 15 minutes. The Derby will start promptly at 9:00 a.m. in front of the Administration Building. Stations will start at 9:15 a.m. If a sled does not follow the schedule, they run the risk of not completing stations.

Teams: Not fewer than 4 or more than 8 Scouts per patrol (We will make every effort to combine patrols to get the number of Scouts needed to participate, and extra sleds are available). One Scout is to be the driver of the sled (the driver steers and brakes the sled). All teams should be Scouts from the same Troop/Crew, but low-number patrols may combine if needed in order to participate fully.

NO MORE THAN 8 SCOUTS MAY BE WITH THE PATROL AND PARTICIPATE AT THE STATIONS. We encourage your troop to mix older Scouts and younger Scouts. This is a great training tool for your older Scouts to lead and teach. Recognition and awards will take place at the next district roundtable following the event.
