OFFICIAL PINEWOOD DERBY RULES

1. Car must be made with the official BSA Pinewood Derby kit.
2. Standard wheel length between wheels must be used – No extended wheels bases.
3. Size - Width of the car shall not exceed 2 ½", length of 7", height of 5 ½"
4. Weight shall not exceed 5 ounces.
5. No loose materials of any kind (such as lead shot) allowed in the car.
6. Axles, wheels, and body wood shall be as provided in kit. Car wheels **shall not** be sharpened to a "V" rim. Wheel bearings, washers, and bushings are prohibited.
7. The car must be freewheeling with no starting devices.
8. An official racing number will be provided at weigh-in, a number sticker will be provided
9. Powdered graphite is the only approved axle lubricant.
10. The scale we have on race day will be the official scale; cars must be weighed in on it.
11. Once a car passes inspection and is entered into the race, you may not lubricate wheels again!

INSPECTION

Each car must pass inspection before the race by the race committee. If disqualified for wheels, length, etc., you will be pre-race disqualified and will not be allowed to enter the race. Outlaw division may be your other option. Judges will have a box that the cars must fit in. It checks length and axle spacing, etc.

RACE FORMAT

The Pinewood Derby Race is open to ALL Cub Scouts. They do NOT have to be the top finishers from your Pack. Everyone from the Pack is welcome to attend. Your Pack can enter any amount of Cub Scouts. Awards will be given out for 1st, 2nd, and 3rd place finishes in each of the divisions.

Outlaws is the super division where speed tricks are allowed to get the fastest car possible. See Outlaws rules for more information about this division.

OUTLAWS RULES

This race is open to the public. Parents, Sibling, past Scouters, Scout BSA, anyone is welcome to try and make a fast car. Only Basic rules apply in this division of racing.

1. Size - Width of the car shall not exceed 2 ½", length of 7", height of 5 ½"
2. Weight shall not exceed 5 ounces.
3. Any wheel types are allowed
4. Powdered graphite is the **ONLY** approved axle lubricant.
5. The scale we have on race day will be the official scale; cars must be weighed in on it.
6. Once a car passes inspection and is entered into the race, you may not lubricate wheels again!
