Medical Forms (All Camps)

Parts A and B of the current edition standard BSA Annual Health and Medical Record (AHMR) form are **REQUIRED** for Everyone coming to Hawk Mountain Scout Reservation. This means that **each Scout, Adult, and Sibling must have one filled out BEFORE coming to HMSR.** Part A must be signed by the parent/guardian of anyone under the age of 18. The form does not require the signature of a doctor and must be filled out within one year of the ending month the Scout is attending camp.

These forms are available at the Beaver Family Council Service Center and online at <http://www.scouting.org/scoutsource/HealthandSafety/ahmr.asph>. If accessed via the aforementioned website, download the form in the section "All Scouting Events." Disregard the "Going to Camp?" Section, as that is meant for overnight events lasting 72 hours or more.

*****New AHMRs are required each year*****

The camp maintains a Health Lodge which is staffed by a Health Officer at all times. There are local doctors and hospitals on call for emergencies. All accidents must be reported to the Health Officer for documentation purposes, regardless of severity. Please remember our Health Officer provides first aid, not medical treatment.

Anyone attending camp with prescription or over the counter medications need to fill out a medication form and hand it into the health officer upon check in. It is for your safety that the health officer is aware of any and all medications being taken while on property. The forms can be found online at <https://hmc-bsa.org/summer-camp-forms>

General Camp Information

Special Needs (All Camps)

Please inform the Reservation Leadership Team in advance of any youth or adults who are physically or emotionally challenged. Knowing ahead of time allows us to make appropriate accommodations. Service Dogs are welcome, but prior acknowledgement to the Reservation Leadership Team is required.

Advancement (All Camps)

The major intent of the Cub Camping Program is fun! Boys and Girls will also learn while enjoying themselves! We will have aspects of program covering Scout Skills, Physical Activity, Shooting Sports, STEM, and even some History!

Each Scout will receive a personal Passport to fill out through their stay. These are the tracking/report cards for each den and Scout. Your Pack has the option of accepting these achievements. The Passport should be brought back every day, and will be sent home with the Scout at the end of the week. In addition to Scout's personal passports, Leaders will receive a complete write up of the advancements the campers have worked on for their time at camp. A tentative advancement grid is included at the end of the guide.

Summertime Pack Award

The Cub Scout Summertime Pack Award is an award given to the Pack when they conduct "Summertime" Pack happenings-one per summer month. Summer Camp counts towards these Summertime activities. This is a Pack Award and the Scouts will not receive anything through Camp; leaders must send application to Council to receive the award.

Open Program Times (All Camps)

This summer we will be featuring 2 Open Program Times, one directly after lunch, and one Optional block after program ends at 4pm. During these times, the Cub Trading Post will be open. On Day 1, you will be given a schedule of available program areas for the week-every day could be different. On Day 1, and ONLY Day 1, the Pools will be offering Swim Checks from 4:15 - 5:15pm.

General Camp Information Continued

Camp Security (All Camps)

Everyone attending camp will be required to wear some form of identification. Everyone will receive a personal Deputy Sheriff Badge. The staff can request verification of any individual visiting camp.

During your stay at camp, you may find that an emergency arises. Emergency plans will be discussed with unit leaders prior to, and upon arrival. Emergency phone numbers to the Health Officer, Ranger, and Camp Director are posted at the Cub Trading Post as well as all Program Areas.

Also, resident locations of key staff persons will be shared at the Camp Leader's Meeting when you arrive. If a Scout needs to be picked up by someone other than parent/legal guardian, we reserve the right to see identification and to check approval from the parent/legal guardian.

If at any time during your stay at camp problems arise, please direct any comments to the Camp Leadership. Solutions come from sharing the difficulty. Individual staff members often do not have the ability to solve the problem; let the Leadership team assist you in your needs.

Follow the Schedule (All Camps)

The schedule is designed that every Scout cannot only work on advancements, but also have fun! It is built on a rotational schedule. Dens, Packs, and Patrols will be able to experience everything during their stay. If there is something that a Scout wants to repeat or do more of, that is what the Open Program times are for. Average time at a station is about an hour with clean up if needed and then moving on to the next Program Area.

Remember, that as Scouts, we leave places better than we found them.

General Camp Information continued

Adventure Sessions (All Camps)
