The mission of Custaloga Town Scout Reservation is to support the aims and methods of the Scouting program by providing out of book experiences through activity, tradition, and excellence.

Attention Scouters,

Nothing is more memorable to my youth than my experiences at summer camp. The skills I learned and memories I made have molded me into who I am today. I have had the opportunity of being able to work at Custaloga Town for 9 years. What keeps bringing me back is the beauty and serenity of camp, the abundant opportunities for fun, and the inspiration of the scouting spirit! So much can be learned and discovered in just one week of camp verses a whole year of meetings. A scout can develop and practice their leadership, character, service, environmental stewardship, and advancement all within one week of great fun. Thank you for deciding to spend your week with us! If you are still considering a camp to attend in 2024, look no further than Custaloga Town Scout Reservation.

This year we are excited to announce needed changes to our dining experience and offer a new slate of program opportunities. We have partnered with a professional food service to offer Scouts and Scouters a top-quality dining experience. There will be new nightly program activities including a Trailgaiting Party and a bonus merit badge night. In addition, our new Eagle Week will feature exclusive Eagle Scout merit badges. With many new opportunities, there are some things that will never change, and that is the fun you and your unit will have at CTSR! From hiking around the Beaver Pond, shooting skeet, flying on our 900 foot zip line, to gliding across Heydrick Pond in a kayak and so much more, you will not be disappointed.

Please use this guide to help plan for your summer adventure. If you still have questions, please contact us the McGarvey Council Service Center, or you can personally reach out to me anytime. I promise you that my team and I will work determinedly to make your week at Custaloga Town the best one yet.

Yours in Scouting,

Justin Dye

NEW FOR 2024

- **Introducing Upper Crust Food Service:** We are ecstatic to be partnering with Upper Crust Food Service to offer a dining menu like no other. The trained chefs will be using fresh ingredients to provide a home-cooked experience. Campers will be treated daily to exciting and nutritious homemade meals. The team will also gladly handle all dietary restrictions.
- **ATV Program:** We are excited to announce a new partnership with Polaris that will be offering an ATV Program starting this summer. We will have 7 Polaris Phoenix 200 ATVs for Scouts. This program will be offered only to older scouts. The program is still getting designed and worked out, and as soon as we can get more information out we will.
- **New and Returning Merit Badges with new schedule for 2024:** We will be returning to the traditional hourly schedule for merit badges! Scouts will have 4 merit badges scheduled and will attend each class 5 days a week for 50 minutes. Scouts will also have the opportunity to work on additional merit badges during free time. (3-5 p.m.) The Council Advancement and Camping Committee believe the move away from block scheduling will be an improvement for both Scouts and Camp Staff. For example, if there is inclement weather, Scouts will have 5 days instead of 2 to complete badges such as aquatics and climbing.

A new merit badge this year will be Whitewater! Scouts will have the opportunity to participate in a boating adventure along French Creek that includes Class 1 rapids. We are also excited to return important Scout skill merit badges of: Pioneering, Bird Study, and Forestry. It has been several years since these badges have been offered.

- **Monday “Trailgating” Party:** Lots of fun activities will be available on Monday night in lower field. The shooting ranges will be open, the zip line will be zipping, and there will be other activities including kickball and a corn hole tournament. Stop by the pavilion for some snacks. Be ready for some great music and a great time!
- **Tuesday Bonus Badge Night:** On Tuesday night we will be offering special Merit Badges from 7 to 9 p.m. Scouts will be able to sign up and take a Merit Badge from a registered counselor. Badge offerings will change depending on the session. Scouts won’t necessarily complete the entire Merit Badge, depending on which one they are working on. A list of available Merit Badges will be given to the Scouts on Sunday evening of their week of camp. If any registered Merit Badge counselors would like to volunteer for this special night either during their week of camp or on another week, please contact the Camp or Program Director.
- **The Quest for the Golden Compass:** Legends says that George Washington, while on a scouting mission along French Creek, made a stop at present day Custaloga Town. Several items from Washington’s gear were left behind but have never been found, including the priceless golden compass. Do you have the skills it takes to make the discovery? Meet at the Flagpoles Thursday night to kick off the camp wide search for the Golden Compass!

NEW FOR 2024 CONTINUED

- **Guyasutha Braves All-Inclusive Program:** This redesigned, all-inclusive program is for Scouts who have only been in the program less than a year. Scouts who sign up for Braves will be in the program all day. (9-12 p.m. and 2-3 p.m.) Scouts in the Braves program will earn rank requirements for Scout, Tenderfoot, Second Class, and First-Class and will also work to earn their First Aid, Swimming, and Nature merit badges. Scouts may also go to open program areas during free time (3-5 p.m.) to complete additional merit badges. Adult Leaders will be invited to the program to see advancements and sign handbooks.
- **Guyasutha Run Returns!!!** Guyasutha Run is a timed obstacle run throughout camp on Wednesday during open program time. This individual race will start at the Indian Burial Grounds and go to different program areas where runners will complete challenges before finishing at the Flag Poles in upper camp. Scouts and adults are allowed to participate in this activity. Fastest times will be awarded.
- **Trading Post Revamped:** We have received your feedback and we are planning a fully stocked Trading Post for 2024. There will be the usual favorites of candy, pop, snacks... and everyone's beloved Slushie! New this year will be a selection of "forgot to bring" toiletries and other necessities. We will have an abundance of CTSR swag and apparel. The shelves will be fully stocked with Scouting needs like Merit Badge books, camping supplies, and knives. Don't miss the new collector items like: hiking staff medallions, bolos, neckerchiefs, web belts, belt buckles and patches! Around \$125 should cover a Scout's wants and needs for the week. The Trading Post is a great opportunity for your Scouts to learn budgeting and financial responsibility. Cash, check and credit card are all accepted.
- **Let's Dig In!** We've started a new initiative for units to give back to camp and make it even more beautiful. Each unit that completes at least a 2-hour approved service project during their week stay will be invited to a Nacho Bar Party! Projects can be found in the Camp Office and will be made available online ahead of camp so units can prepare and bring supplies. Service projects must be approved by the Camp Director or Assistant Camp Director.
- **Daily Unit Awards: The Clean Sweep and the Scout Spirit Staff will be given daily to units.** The awarded unit will have 24 hours to put their mark on the item before it is awarded to another unit. The Clean Sweep award will be given out daily to units not only with a clean camp site, but also best presented and uniformed at our daily flag ceremonies. The Scout Spirit Staff will be awarded to units that display and live the scout spirit best.
- **Camp Theme Days:** Monday is Patriotic Day; Tuesday is Twinning Tuesday; Wednesday is Order of the Arrow Day, Thursday is Throwback Day (who has the oldest CTSR shirt?) and Friday is Tie-Dye Day. Scouts can bring a white t-shirt to camp and have it tie-dyed at our Trailgating party.
- **Health Policy change for Summer of 2024.** Prescription medications of Scouts and adults will be permitted to be kept in a locked container in the Troop campsite and administered by an adult Leader. If a Troop needs a lock box, one will be provided for them. If a Scout or adult would still like to keep their medications in the health lodge with the health officer, that is still an option.

** Disclaimer: policies and program are subject to change between this guide's adoption, November 29, 2023 and the start of your program session.*

Registration Steps

- Select the session date your Troop wants to attend and the requested campsite. Select the number of Scouts and adults that are planning on attending, or if unsure, sign up one adult and two Scouts (more can be added later).
- A **\$200 per unit deposit is required to hold the reservation**. This **does not ensure** that a Troop will be in the requested site, though every effort will be made to fulfill requests. The French Creek Council reserves the right to move a Troop to maximize space for all Scouts attending.
- Complete the requested information for each participant. Allergies, medical concerns, special needs or special diet information is required and must be completed in order to check-out. You may enter "N/A" if there are no concerns in those categories. Complete this information as soon as possible to ensure that camp is properly prepared. CTSR Staff may contact Troop leadership if there are further questions.
- Check-out when all fields have been completed. A payment method is required at this time.
- A registration confirmation will be sent to the email address provided. **You will use the link provided in the confirmation email to return to the Troop's registration and make additional payments, register additional participants, choose or change merit badge class schedules, etc.**
- Additional participants may be added up to 2 weeks prior to the start of selected session (per the fee schedule). Deletions require you to contact the McGarvey Service Center at 814-868-5571. However, you may change the names of participants up to the day before arrival.
- CTSR Merit Badge Worksheets can be used to collect merit badge classes, dietary restrictions and t-shirt size. This information will be needed to fully complete each Scout's individual registration.
- **Merit Badge classes fill on a first come basis and have class size limits.**
- If all fees are paid prior to the discount deadline, the discount is automatically applied by the system. Family discounts must have the EXACT same address entered to be applied automatically.

Refund Policy:

Refund requests must be made using a *Refund Request Form* 30 days prior to your scheduled arrival at camp. No refunds will be granted without 30-day notice except under the following extenuating circumstances:

- Illness of Scout prevents their attendance at Resident Camp (a signed doctor's excuse is required).
- Illness or death in the immediate family that prevents attendance at camp.
- Family relocation makes attending camp impractical.

In the event of an extenuating circumstance, the CTSR Refund Request form must be used for refund requests. Parents of the Scout **MUST** submit it to French Creek Council prior to 8/31.

- Requests for refunds must have the Troop Leader's approval (signature).
- All requests will be subject to a \$30.00 cancellation fee.
- All refunds will be made back to the Troop's council account and will be processed within 60 days of receipt.
- In lieu of a refund, camp fees (including deposits), are transferable to another Scout in the Troop.
- Refund forms are available under the Attachments section at: <https://scoutingevent.com/532-ScoutsBSASummerCamp2024>

CHECK IN + CHECK OUT

- **Transportation** - Transportation to and from camp is the responsibility of each Scout's parent(s) and should be coordinated through the Troop. A Scout is conservation minded, so please try to car pool. All drivers must be at least 18 years old, licensed and driving properly registered vehicles that are insured and inspected.
- **Check-In** - Troops should plan to arrive at camp on their check-in afternoon between 1:00 p.m. and 2:00 p.m. DO NOT arrive before 1:00 p.m. as the Camp Staff will not be prepared to check the Troop in, and you will be required to wait in the lower field. If a portion of the Troop needs to arrive after 3:00 p.m., they must check-in at the Camp Office, and may be rushed to complete all necessary tasks prior to dinner.
- Troops will be greeted by a Staff Guide in the lower field after the bridge, and directed where to assemble. Participant and Troop gear should be consolidated into one truck or trailer, as only one vehicle will be permitted in the campsite at a time. The truck/trailer containing the gear will be directed to the campsite, while the adult Leader will proceed to the Camp Office to check-in. The Staff Guide will direct the Troop to their campsite where the equipment should be unloaded as quickly as possible. Vehicular traffic is kept to a minimum for the safety of the Scouts coming and going from the campsites. One vehicle/trailer may remain in each campsite during the week of camp.
- **Check-In Stations** - Upon arrival at their campsite, Troops should gather **health forms** and **prescription medications**, as well as **CTSR Swim Pre-Qualification Form** (if completed) for all Scouts and adult Leaders. Troops who have not completed swim qualification prior to camp will change into swim wear. The Staff Guide will then take the Troop through check-in stations including the Health Lodge, swim check/pool orientation, Dining Hall and Parade Grounds. The Staff Guide will be able to answer questions the Troop may have. All Scouts and adult Leaders will receive a wristband, for security purposes, to be worn during your stay. Following check-in, the Troop will return to their campsite to finish unpacking and prepare for dinner and flags. There will be a leader's meeting the first afternoon.
- **Camp Tour** - An optional camp tour is available Sunday after dinner to help orient new Scouts and adults.
- **Check-Out** - Troops may leave Friday night after closing campfire or on Saturday morning by 10:00 a.m. **If a unit wishes to leave Friday, they need to let the Camp Office know by Thursday evening so appropriate arrangements with their Staff Guide can be made. Unit Leaders need to make sure they stop at the Health Lodge as part of the check-out process.**

Our traditional "Trail to Eagle" dismissal will be Friday after dinner. There will be no concluding program Saturday morning.

A Staff Guide will coordinate your check-out process. Medical forms will be picked up from the Health Lodge by an adult Leader. One vehicle will be permitted in the campsite at a time. Make sure all litter has been removed from the campsite as well as Troop and personal gear. Garbage should be taken to the garbage trailer. Adult Leaders may not depart camp until ALL Scouts have been picked up. **NO ONE EXCEPT STAFF SHOULD BE IN CAMP PAST 10:30 A.M. on Saturday.**

- **Camp Evaluation** - Senior Patrol Leaders and adult Leaders are asked to complete a camp evaluation before departure. This information is used to assess the current program and make changes and improvements in the future.

TROOP LEADERSHIP

Youth Leadership Roles

Youth Leadership and the Patrol Method are the cornerstone to the Scouting program. The Senior Patrol Leader, as the Youth Leader of the Troop, leads the Scouts in all their activities. There is no reason to suspend this method during summer camp. Occasionally, new patrols must be formed when coming to camp because all Scouts may not attend. Patrols should be established before coming to camp. ASPL or a PL should substitute for the SPL while at camp if the elected SPL is not in attendance.

Duties of the Senior Patrol Leader/Patrol Leaders while at Custaloga Town Scout Reservation:

- Being a positive role model by living by the Scout Oath and Law.
- Conducting a daily Patrol Leaders' Council to discuss the day's schedule of duties, evening activities and any issues within the Troop.
- Attending daily Senior Patrol Leader Meetings as scheduled by Camp Staff.
- Ensuring that the Troop campsite is ready for daily campsite inspection.
- Understanding and supporting emergency procedures in camp.
- Assuring timely arrival at flag raising, flag retreat, meals, campfires, and other camp wide activities.
- Signups for special activities, service projects, closing campfire skits, etc.
- Managing the construction of the Troop's gateway.

Adult Leadership Roles

- Providing Youth Leadership with the tools and skills needed so they can run the Troop.
- Making sure the rules of the BSA, French Creek Council and Custaloga Town Scout Reservation are followed.
- Understanding and supporting emergency procedures in camp.
- Being a positive role model by living by the Scout Oath and Law.

BSA Policies For Adult Leadership:

- Two registered adult leaders 21 years of age or over are required at all Scouting activities, including all meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth or female adult program participants.
- Notwithstanding the minimum leader requirements, age and program-appropriate supervision must always be provided.
- **All adults staying overnight in connection with a Scouting activity must be currently registered in an adult fee required position as listed or as an adult program participant.** (effective 9/23)

**Train 'em,
trust 'em,
and
let 'em
lead!**

HEALTH INFORMATION

Annual Health and Medical Form:

- Do not mail health forms to either McGarvey Service Center or CTSR.
- **BSA Health Form:** https://filestore.scouting.org/filestore/HealthSafety/pdf/680-001_ABC.pdf
- **Every camper (youth and adult) must submit a BSA Health and Medical Form Parts A, B, and C upon arrival at camp. No other medical forms will be accepted. Any camper not bringing fully completed and signed medical form will be UNABLE to participate in any activities at camp.**
- The form requires **EVERYONE** to have an annual physical, all prescription medications listed and an informed consent signature. **Also include a front/back copy of your insurance card.** The signed release in Part B of the BSA Medical form is required to receive OTC (Over the Counter) medications as directed by the Camp Physician.
- Information on these forms should be reviewed by a designated adult Leader before arriving at camp. Specifically check for parent/doctor signatures, immunization dates, insurance and emergency contact information.
- Individuals will turn in all completed forms to the CTSR Medical Staff during check-in, and forms will be returned to an adult Leader at check-out.
- If switching out adult Leaders during the week, please check-in at the Health Lodge upon arrival and check-out at the Health Lodge when you are leaving. This helps the Medical Officer know which adult Leaders to contact in case of an emergency.

Prescription Medications:

- **CTSR Prescription Medication Form.** The form is available at <https://scoutingevent.com/532-ScoutsBSASummerCamp2024> under the Attachments section.
- Prescription medications of Scouts and adults will be permitted to be kept in a locked container in the Troop campsite and administered by an adult Leader. If a Troop needs a lock box, one will be provided for them. If a Scout or adult would still like to keep their medications in the health lodge with the health officer, that is still an option.
- **MEDICATIONS SHOULD BE IN THE ORIGINAL CONTAINER** (labeled with the drug name & patient's name)
- Campers will be allowed to carry rescue inhalers and EpiPen's provided that the camper has left a duplicate in the Health Lodge.

A certified Medical Officer is available 24/7. Any injuries or illnesses occurring at camp, no matter how minor, must be reported to the Health Lodge to be logged. In the event of a medical emergency, the Health Lodge and Medical Officer can be contacted at any time. Radio contact is available from all program areas, the Dining Hall, Trading Post, and Camp Office.

The Health Lodge is prepared to handle all illness and injuries, with a licensed Medical Doctor under agreement and on call.

Adult Leaders should be aware of their Scout's medical needs and observant of their activities, realizing that camp activities may affect Scouts differently than routine home life.

Medical Officers, as well as additional Camp Staff, are trained to deal with homesickness.

This is a 5-year program challenging Scouts and adults each year they come back to complete the requirements.

Order of the Arrow at Camp:

For over 100 years, the Order of the Arrow (OA) has recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as well. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long term resident camping, and providing cheerful service to others. OA service, activities, adventures, and training for youth and adults are models of quality leadership development and programming that enrich and help to extend Scouting to America's youth. The mission of the Order of the Arrow is to fulfill its purpose as an integral part of the Boy Scouts of America through positive youth leadership under the guidance of selected capable adults.

Langundowi Lodge #46 is the Order of the Arrow Lodge associated with French Creek Council. On Wednesday evening during each week of camp, there will be a Dance and Drum Presentation followed by a Call Out Ceremony. The Call Out Ceremony will recognize the candidates for the year who seek to join this organization. There will also be an ice cream social following the ceremony for those in attendance.

The Call Out Ceremony will seek to call out the new inductees for the current election year. All elections in French Creek Council should be done prior to camp and the Unit Leader or someone in the Unit should be familiar with those who have been nominated to be called out during the evening. Langundowi can also perform Call Out Ceremonies for Out of Council units provided the Out of Council unit provides their lodge's appropriate approval paperwork prior to the Call Out Ceremony.

Any questions or concerns regarding Order of the Arrow can be directed to the Lodge Adviser, C. Michael Miller at 814-566-4889 or mcmiller@yahoo.com. In addition, there will be at least one member of the Custaloga Town Scout Reservation Camp Staff designated as the Lodge OA Camp Chief for your week of summer camp as well.

Following the meal, the waiters are responsible for clearing the dishes, disinfecting the table and sweeping the table area. Waiters should not leave the Dining Hall until dismissed by the Dining Hall Steward. Adult and youth Leaders are encouraged to assist younger Scouts with waiter duties.
- **Table Assignments** - Troops will be assigned tables during check-in. Each table seats 8 - 10 people. CTSR Staff will fill in empty seats. Troop Leaders are responsible for the conduct, manners, and general supervision of their Scouts during meals. Adults should also monitor the food and water intake of the Scouts in their Troop to make sure they are eating and drinking adequate amounts. Water will be provided for all meals.

CONSERVATION MINDED

All youth and adults should follow the Outdoor Code and the Leave No Trace principles while in camp. Do not cut or remove live trees and shrubs without permission from the Camp Ranger. Keep to trails and roads when traveling around camp. Do not litter; dispose of all trash and waste in a proper garbage receptacle. Campfires may only be built within an existing fire ring. Campfires should be kept small, monitored at all times, and only burn for the time it is being used.

We are excited that we will be introducing a recycling program throughout camp in 2024. Look for receptacles around camp where you can recycle your items.

With the abundance of conservation related merit badges, you could potentially earn awards after taking the required merit badges during camp. More information and applications for these awards will be in the Camp Office and the Nature Lodge.

CAMPSITE REMINDERS

- **Campsite Usage** - All campsite capacities are based on two persons per tent. Youth tent-mates cannot be housed with other Scouts with greater than a two-year age difference. In Scouts BSA, Venturing, and Sea Scouts, youth and adults tent separately, even if it is parent/child. (Youth who have a special need or disability who may require a parent or legal guardian to tent with them must develop a plan in conjunction with their local council Scout Executive to address their specific needs.) Separate tenting arrangements must be provided for male and female adults (with the exception of spouses). All efforts will be made to accommodate your unit in the site requested; however, camp reserves the right to reassign Troops to obtain maximum occupancy of all sites.
- **Campsite Gateways** - Each Troop is encouraged to build a gateway at the entrance of their campsite. Gateways will be photographed and awards will be given at closing campfire for the Camp Staff's favorite gateways. The more creative, the better. Gateways must be completed by lunch on Friday.
- **Tent Care** - Do not use bug spray on the tent fabric as this will cause the tent to lose its waterproofing. No flames permitted in tents (only battery flashlights and glow sticks in or near tents). Do not drive any nails into the tent poles or place hangers over the ridge pole, as these can cause tears and leaks. Damage to canvas will be billed at \$10 per inch up to replacement cost of the tent or tarp (~\$600).

In order to maintain the quality/durability of tents, if rain threatens, loosen tent ropes to protect the canvas. As wet canvas dries, it shrinks and tears if ropes are too tight. When tent is wet, hang the flaps at "half-mast" to allow air to circulate through the tent and facilitate drying. In dry weather, roll flaps neatly and tie. Please report any tears or leaks to the Camp Office immediately.

- **Wildlife And Food** - Custaloga Town is home to many different animals native to Northwestern Pennsylvania. White-tailed deer, beavers, raccoons, foxes, possums, turkeys, owls, hawks and many other animals are commonly seen on the reservation property. **A Scout Is Kind** - at no time should any animal be baited/lured, captured or harmed. (Some animals may be collected for temporary educational purposes by the Staff of the Nature Program Area.) Food and garbage are invitations for wildlife to visit your campsite and tent. **Never take food into tents.** Food and garbage in the campsite must be stored securely for the protection of both the campers and the local wildlife.
- **Garbage Disposal** - There is a garbage trailer located at the back of the Dining Hall. Please dispose of campsite garbage by 7:00 p.m. each evening. Any garbage remaining in the campsite should be secured in a trailer/vehicle at night.
- **Campfires** - The BSA is a low impact "Leave No Trace" organization. While campfire wood is available free of charge during your stay, please limit campfires to evening fires. Firewood is available at the wood shed by Handicraft and must be transported. No standing trees are to be cut at any time without specific permission from the Camp Director. A \$10.00 per inch of diameter penalty will be enforced.
- **Liquid Fuel** - CTSR does not provide storage facilities for liquid fuels in the campsites. All Troops electing to use liquid fuels (including propane) must meet the adult supervision and training requirements. Fuel must be stored securely and in original containers. **DO NOT DISPOSE OF PROPANE CYLINDERS IN THE TRASH.**

CAMP POLICIES

- Please review the current “**Guide to Safe Scouting**” prior to attending camp. www.scouting.org/health-and-safety/gss. Report safety issues or concerns while at camp to the Camp Director and/or Camp Office immediately.
- **General Behavior:** Horseplay can result in injury and damage to equipment. **FUN CEASES TO BE FUN WHEN SOMEONE GETS HURT, EITHER PHYSICALLY OR EMOTIONALLY.** All Campers should follow the Scout Oath and Law. Violations and concerns should be reported to the Camp Director and/or Camp Office immediately. The Camp Director reserves the right to dismiss anyone from camp for violation of the camp policies and BSA standards.
- **Lights Out:** To be considerate of others, everyone is asked to be in their campsite and quiet after 10:00 p.m. All youth must remain in the assigned campsite until morning, with the exception of travel to and from shower house facilities. Violators of this policy may be dismissed from camp.
- **Buddy System:** During any activity outside of the Troop’s campsite, Scouts are required to have a buddy (pair up with a friend or two). At no time should a Scout be traveling through camp alone. Buddies should always be single gender and should be no more than 2 years apart. Adults cannot be paired with youth - this includes staff. The Buddy System, through the use of Buddy Tags, is used at all times at the pool or waterfront.
- **Bicycles:** Personal bicycles may be brought to camp for transportation between program areas. **All riders are required to have helmets and use the buddy system.** Use of bicycles is a privilege that may be revoked by adult Leaders, Camp Staff or Camp Director. A Usage Agreement must be completed upon arrival at camp.
- **Transportation While In Camp:** Scouts **ARE NOT** to be transported by personal vehicles while in camp. If a Scout has any physical limitations, arrangements should be made with the Camp Director prior to arrival at camp.
- **Alcohol, Illegal Drugs, Fireworks, Tobacco products:** BSA prohibits any alcohol, illegal drugs, and fireworks within the boundaries of a Boy Scouts of America facility. Any of these items found on French Creek Council property will result in contact with local law enforcement and possible arrest charges. In addition, the individual(s) will be removed from camp property and face revocation of their registration in the Scouting program. Pennsylvania law prohibits anyone under the age of 21 from using tobacco products, thus smoking, vaping, or the use of smokeless tobacco is forbidden at camp. No one over the age of 21 will be allowed to smoke any where on camp property except in their vehicle, located in the parking lot away from the Scouts. All facilities in camp are “Non-Smoking”, in accordance with National BSA policy.
- **Insurance:** All registered French Creek Council Scouts or Adult Leaders attending Custaloga Town Scout Reservation will be covered under the French Creek Council’s Health and Accident Insurance. Medical bills due to events that happen prior to arrival at camp will not be covered. Out of council units must provide the camp with the name of their insurance company and policy number if not covered by a home council insurance plan.
- **Rifle and Archery Equipment:** Archery equipment will be limited to a 35-lb recurve and compound bows. Personal firearms are prohibited. At the discretion of the Field Sports Director, personal archery equipment is acceptable if it meets BSA Camp Health and Safety regulations and is secured at the range. French Creek Council is not responsible for any damage or loss of personal equipment.
- **Swimming Ability & Evaluation:** Swim tests may be completed either upon arrival at camp or prior to camp (using the CTSR Swim Pre-Qualification Form located in the Attachments section at <https://scoutingevent.com/532-ScoutsBSASummerCamp2024>). During check-in, the Aquatics Staff will issue Buddy Tags for the pool and waterfront. Staff reserves the right to recheck/verify any evaluation

EMERGENCY PROCEDURES

CODE GREEN (Severe weather coming, missing camper)

Short blast of siren or bell, on and off in 5 second increments

Report to the Parade Field or Dining Hall for situations that require a headcount of all Scouts and adult Leaders. Staff will come around, take roll call, assemble a list of missing campers, and will provide further instructions as needed. Campers will remain until an "All Clear" is called.

CODE BLUE (Severe weather hitting fast, lightning)

Continuous blast of the siren or bell

Take Immediate shelter and stay put. Shelter locations are any building or pavilion in camp. Stay sheltered until an "All Clear" is given (4 short blasts of the siren or bell) or a Staff Member comes around with further instructions.

CODE RED (Health Emergency)

All injuries beyond basic first aid must be reported to the Health Officer or Camp Administration. That person will figure out the proper medical response needed to be taken. Do not attempt to move the person, camp personnel will report to the location.

Lost Camper

If a Camper is presumed missing, report to the Administration staff as soon as possible. From there a decision will be made on the route of action to be taken.

Team Reach

We will also be utilizing the Team Reach app and sending alerts out with that along with the above.

Every Area Director also has a radio and can be used to reach administration with any concerns.

If there is an emergency in the night a Staff Member will report to each campsite. The orange sign, given at the adult Leader meeting, will mark the Leader's tent. The Staff Member will go to that tent to notify the Leader of any actions that need to be taken.

GENERAL CAMP INFO

- **Camp Staff** - Custaloga Town Scout Reservation has a well-trained staff. Many Area Directors have attended the BSA National Camp School and all have received additional training at the council level. Junior Staff members are also trained and are responsible to an Area Director. The Camp Director, Program Director, and Camp Commissioner supervise and manage the staff. Many are over the age of 18 and have previous camp staff experience. Orientation sessions are conducted each week prior to the unit arrival, preparing to assist and accommodate your Troop in every way possible. CTSR Staff works hard to ensure that your Troop has an enjoyable and productive week at camp.
- **Campsite Inspections** - Each day, the Commissioner Staff will visit your campsite and address any concerns or questions that you may have about your camp experience. They will also inspect for cleanliness and safety and Troops will receive a daily score.

Custaloga Town Scout Reservation

Camp Song

(Tune: Joyful, Joyful We Adore Thee)

In amidst the trees and forests,
Sun is setting on the lake.
Round the campfire hear the chorus,
Scouting friends, we all will make.

Chorus: Custaloga Town Reservation
Is your spirit shining bright?
For we know that we're together
Scouting through the end of night.

Custaloga, we do love thee,
In the warm of sunny days,
Even in the rain and dark skies,
Your fun never goes away

Chorus

Slower: Now we end our great adventure
Though we have enjoyed the stay
We'll return again I promise,
Memories forever stay

Custaloga Town Reservation
You have been my guiding light
Scouting treasures, you did teach me,
See me through the end of night.
