Songs

The Loop of the Octoraro Bend

It all began with the dreams of old,
The Indian brave and the Pioneer bold,
By campfire's light old tales retold,
In the Loop of the Octoraro Bend.

Those early scout with their campaign hats,
Their pressed wool shirts, their boots and spats,
Rekindled the dream that had gone before,
In the Loop of the Octoraro Bend.

Chorus:

They built a camp upon the Mason-Dixon Line,
Historic land where value shine,
Ol' Horseshoe your memories will e'er be mine,
In the Loop of the Octoraro Bend.

The sun comes up over flagpole hill,
Where Old Glory flew and is flying proudly still,
And we'll march to the call at the end of the day,
In the Loop of the Octoraro Bend.

So let's hoist our packs once again my friend,
Where the waters flow 'round the tranquil Horseshoe Bend,
And we'll hike and camp in the old scout way
In the Loop of the Octoraro Bend.

Chorus:

They built a camp upon the Mason-Dixon Line,
Historic land where value shine,
Ol' Horseshoe your memories will e'er be mine,
In the Loop of the Octoraro Bend.

He served the camp upon the Mason-Dixon Line,
His years as chief numbered twenty nine,
Achegektum your lessons will e'er be mine,
In the Loop of the Octoraro Bend.

The Cat Came Back

Old man Johnson had some problems of his own.
He had a yellow cat that wouldn't leave him alone.
He tried and he tried to give the cat away,
He gave it to a man going far, far away.

Chorus:

But the cat came back the very next day, Yeah!
The cat came back, they thought he was a goner
But the cat came back. He just couldn't stay away, away, away.
Yeah, yeah, yeah!

He gave it to a man going up in a balloon,
He told the man to give it to the man in the moon.
The balloon came down about ninety miles away,
But where the man is today, I just cannot say.

Chorus

He gave it to a man going way out west.
He told the man to give it to the one he loves best.
The train skipped the track and then it hit the rail,
No one is alive to day to tell you the tale.

Chorus

He gave it to a boy with a dollar note.
He told the boy to take it up river in a boat.
They tied a weight around his neck, about a thousand pounds.
They dredged the river for the little boy who drowned.

Chorus

The man 'round the corner said he'd shoot the cat out of sight.
So he loaded up his gun with nails and dynamite.
He waited and he waited for the cat to come around,
Ninety-seven pieces of the man are all people found.

Chorus:

But the cat came back the very next day, Yeah!
The cat came back, they thought he was a goner
But the cat came back. He just couldn't stay away, away, away.
Yeah, yeah, yeah!

The A-bomb fell just the other day,
The H-bomb fell in the very same way.
..... Went, Went, but then the USA
The whole human race destroyed without a chance to pray.
Repeat chorus.

Junior Birdman

Up in the air, Junior Birdman.
Up in the air, upside down.
Up in the air, Junior Birdman,
With their noses to the ground.

And when you hear the grand announcement,
That their wings are made of tin,
Then you'll know the Junior Birdmen
Have sent their boxtops in.

It takes:
Five boxtops
Four bottle bottoms
Three wrappers
Two labels
And one thin dime!
(Make machine gun noises.)

Whenever the words junior birdman is sung, stand up and make the junior birdman glasses. Make a circle with your thumb and index finger, and flip your hands upside down onto your face.

Ford Song

Once there was a Ford, a pretty little Ford
Cutest little Ford you ever did see!
Ford on the wheels, wheels on the ground
Engine on the back makes the wheels go round.
Match in the gas tank, no Ford!

And on that Ford there was a seat
Cutest little seat you ever did see!
Seat on the ford, Ford on the wheels,
Etc.

And on that seat there was a girl . . .
And on that seat there was a hat . . .
And on that seat there was a flower . . .
And on that seat there was a flea . . .
And on that seat there was an ELEPHANT!

Old Lady Leary

Late last night, when we were all in bed.
Old Lady Leary hung a lantern in the shed,
And when the cow kicked it over,
She winked her eye and said,
“There’ll be a hot time in the old town tonight.”

FIRE! FIRE! FIRE!
WATER! WATER! WATER!
JUMP! LADY, JUMP!

Oooooo, SPLAT!

Green Grow the Rushes

I’ll sing you 12-ho, green grow the rushes-ho
What is your 12-ho?
12 for the 12 apostles
11 for the 11 that went to heaven
10 for the 10 commandments
9 for the 9 bright shiners
8 for the April Raiders
7 for the 7 stars in the sky
6 for the 6 proud walkers
5 for the symbols at your door
4 for the gospel makers
3...3... the rivals
2, 2 lilly white boys, clothed all in green ho
1 is 1 and all alone and never more shall be it so

Song is sung in the same way as 12 days of Christmas but not the same tune.

Sixpence

I've got sixpence
Jolly jolly sixpence
To last me all my life
I've got two pence to spend
And two pence to lend
And two pence to send home to my wife poor wife

No cares have I to grieve me
No pretty little girls to deceive me
I'm happy as a lark believe me
As we go rolling, rolling home.

Rolling home (rolling home)! Rolling home (rolling home)!
By the light of the silvery moon.
Happy is the day when the camp staff gets their pay
As we go rolling, rolling home.

On the second verse sing fourpence
“... And no pence to sent home to my wife (poor wife).”

On the third verse sing twopence
“... And no pence to lend, and no pence to send home to my wife (poor wife).”

On the fourth verse sing no pence
“No pence to spend, and no pence to lend, and no pence to send home to my wife (poor wife).”

On the fifth verse sing credit
“... and credit to send home to my wife (poor me).”

Trail to Eagle

Trail to Eagle, trail to Eagle
Climbing all the time.
First the Star and then the Life
Will on your bosom shine,
Keep Climbing!
Blaze a trail and we will follow
Hark! The Eagle's call;
On, brothers, on until we're eagle all.

Gilligan's Island

Just sit right back and you'll hear a tale
A tale of a fateful trip
That started from this tropic port
Aboard this tiny ship

The mate was a mighty sailorman
The skipper brave and sure
Five passengers set sail that day
For a 3 hour tour, a 3 hour tour

The weather started getting rough
The tiny ship was tossed
If not for the courage of the fearless crew
The minnow would be lost; the minnow would be lost

The ship set shore on the shore of this uncharted desert isle
With Gilligan, the skipper too, the millionaire and his wife, the movie star, the professor
and Maryanne,
Here on Gilligan's isle

No light no boat no motorcar not a single luxury
Like Robinson carouse as primitive as can be
So join us here each week my friends you'll sure to get a smile
From seven-stranded castaway's here on Gilligan's isle

Patsy Orey Orey Aye

Chorus:

Patsy orey orey aye (x3)
Working on the railroad.

In eighteen hundred and sixty one,
My life on the railroad just begun.
My life on the railroad just begun,
Working on the railroad.

Chorus

In eighteen hundred and sixty two,
I found myself with nothing to do.
I found myself with nothing to do.
Working on the railroad.

Chorus:

Patsy orey orey aye (x3)
Working on the railroad.

In eighteen hundred and sixty three,
American Railroad fired me.
American Railroad fired me,
Working on the railroad.

Chorus

In eighteen hundred and sixty four,
I found myself in the Civil War.
I found myself in the Civil War,

Working on the railroad.

Chorus

In eighteen hundred and sixty five,
I found myself more dead than alive.
I found myself more dead than alive,
Working on the railroad.

Chorus

In eighteen hundred and sixty six,
I blew myself up with dynamite
sticks.
I blew myself up with dynamite
sticks,
Working on the railroad.

Chorus

In eighteen hundred and sixty seven,
I found myself on the way to heaven.
I found myself on the way to heaven,
Working on the railroad.

Chorus

Working on the railroad.

Chorus

In eighteen hundred and sixty nine,
I found myself at the end of the line.
I found myself at the end of the line,

Working on the railroad.

Chorus:

Patsy orey orey aye (x3)
Working on the railroad.

In eighteen hundred and sixty ten,
I like the song we'll sing it again.
I like the song we'll sing it again.
Working on the railroad.

Chorus

I've been working on the railroad,
All the live long day.
I've been working on the railroad,
Just to pass the time away.
Can't you hear the whistle blowing,
Rise up so early in the morn'?'
Can't you hear the captain shouting,
"Dinah blow your horn!"

Dina won't you blow, (x2)
Dinah won't you blow your horn!
Dina won't you blow, (x2)
Dinah won't you blow your horn!

Someone's in the kitchen with Dinah.
Someone's in the kitchen I know.
Someone's in the kitchen with Dinah,
Strumming on the old banjo and
singing
"Fee, fe fiddley eye oh!"
"Fee, fe fiddley eye oh!"
"Fee, fe fiddley eye oh! Strumming
on the old banjo."

Mermaid Song

'Twas Early morn when we set sail,
And we were not far from the land (from the land)
When the Captain spied a pretty mermaid,
With a comb and a glass in her hand (in her hand).

Chorus:

Oh, the ocean waves may roll (may roll)
And the stormy winds may blow (may blow)
While we poor sailors go skipping to the top,
And the landlubbers lie down below, below, below
And the landlubbers lie down below, below, below

Then up spoke the Captain of our gallant ship,
And a fine old Captain was he (was he):
“This fishy mermaid has warned me of our doom;
We shall sink to the bottom of the sea (of the sea).”

Chorus

Then up spoke the first mate of our gallant ship,
And a well spoken man was he (was he):
“I have a wife in Salem town
And tonight a widow she will be (she will be).”

Chorus

Then up spoke the cook of our gallant ship,
And a red hot cookie was he (was he):
“I care more for my pots and my pans
Than I do for the bottom of the sea (of the sea).”

Chorus

Then up spoke the cabin boy of our gallant ship,
And a dirty little rat was he (was he):
“There’s nary a soul in old Salem town
Who gives a darn about me (‘bout me).”

Chorus

Then up spoke the figure head of our gallant ship,
And a well carved figure was she (was she):
“I’d rather be a figure on a ship
Than a log on the bottom of the sea (of the sea).”

Three times around went our gallant ship
And a three times around went she (went she)
Three times around went our gallant ship
And she sank to the bottom of the sea.

B-I-N-G-O Farm

Chorus:

B-I-N-G-O go Bingo
B-I-N-G-O go Bingo
B-I-N-G-O go Bingo
Down at the bingo farm.

Her father's name was Fertie,
Her mother's name was Liza,
They called her Fertilizer ,
Down at the bingo farm.

Chorus

Her father was a butcher,
Her mother cut the meat,
And there's a little hot dog
That runs around the street.

Chorus

My dad was born in England.

My mom was born in France,
But I was born in Chile
Because I have no pants.

Chorus

My brother was a barber,
My sister cut the hair,
And I'm the little cootie
That runs around the chair.

Chorus

I asked her if she loved me,
She said she was above me,
So down the stairs she shoved me,
Down at the Bingo farm.

Chorus

Grandpa's Whiskers

Chorus

Oh, they're always in the way,
The cows eat them for hay.
They hide the dirt in Grandpa's
shirt,
They're always in the way.

When grandpa was in the Army
And the captain cried "barrage!"
He wrapped his whiskers round
himself
And called it camouflage.

Chorus

When grandpa goes to breakfast
And there's nothing left to eat,
He dips his whiskers in the milk
And calls it shredded wheat.

Chorus

When grandpa goes a fishing,
No fishing line needs he.

He throws his whiskers in the lake
And pulls out two or three

Chorus

Little sister Sue
When there's nothing left to do,
Hides behind his whiskers,
And listens to him chew.

Chorus

Grandpa owned a car,
It was a ford machine.
His whiskers came in handy
When straining gasoline.

Chorus

When Grandpa goes a swimming,
No swimming suit needs he.
He wraps his whiskers 'round his waist
And jumps in merrily.

Lily the pink

Here's a story, a little bit gory,
A little bit happy, a little bit sad.
About a lady and medicinal compound,
And the adventures that they had.

Chorus:

Oh, drink, a-drink, a-drink
To Lily the Pink the Pink the Pink
The savior of (the savior of) the human race.
She invented medicinal compound,
Most efficacious in every case.

Ebenezer thought he was Caesar,
So they put him in a home.
Then they gave him medicinal compound,
Now he's emperor of Rome.

Chorus

Johnny Hammer had a terrible stammer,
He could hardly speak a work.
So they game him medicinal compound,
Now he's seen but never heard.

Chorus

Uncle Paul he, was rather small he,
He was only two foot four.
Then they gave him medicinal compound,
Now he can't fit through the door.

Chorus

Lily died and went to heaven.
Oh the church bells they did ring.
She took with her medicinal compound,
Hark! The herald angles sing.

Chorus

Titanic

Well, they built the ship Titanic,
To sail the ocean blue;
And they thought they built a ship
That the water would never go through.
But the Lord's almighty hand,
Said the ship would never land.
It was sad when the great ship went
down

Chorus:

It was sad, (so sad)
It was sad! (so sad)
It was sad when the great ship
went down

To the bottom of the sea
Husbands and wives, little
children lot their lives
It was sad when the great ship
went down

Twas off New England shore
Bout a thousand miles or more
When the rich refused to associate with
the poor.
So they sent them down below
Where they were the first to go
It was sad when the great ship went
down

Chorus

They swung the lifeboats out
O'er the dark and raging sea
And the band struck up with
"Nearer my god to thee"
Little children wept and cried
As the waves washed over the side

It was sad when the great ship went
down

Chorus

The Captain stood on deck
With a teardrop in his eye
As the last boat left
He waved them all good-bye.
He thought he made a slip,
So he went down with the ship.
It was sad when the great ship went
down

Chorus

The moral we obtain
From this story of woe and pain;
Is that if you're rich
There's no need to be so vain.
'Cause in the Lord's good eyes
You're the same as the other guys.
It was sad when the great ship went
down

Chorus

They built a sister ship
Called the S.S. Mary Lou
And they thought they built a ship
That the water wouldn't go through.
But they christened her with soda
And she sank right of the pier.
It was sad when the great ship went
down

Chorus

National Embalming School

Forever we shall sing thy praise,
National Embalming School.
Where we have spent our finest days,
National Embalming School.
We stuff the ghost, we stuff the ghoul,
Our boys get hot when you get cool.
We live for you, we DIE for you,
National Embalming School.

Post mortem, post mortem, post mortem,
Da dum, da dum, da da.
Autopsie, autopsie, autopsy,
Da dum, da dum, da.
Smash, bang, cut them up.
You ought to know the reason.
Oh, what an awful smell.
The body's out of season.
Aaa men, bum, bum, bum.
Ah-women, bum, bum, bum.
Awww-NUTS.

Happy Wanderer

I love to go a-wondering,
A-long the mountain track.
And as I go I love to sing
"My knapsack on my back."

Chorus:

Val-de-ri, val-de-ra, val-de-ri
Val-de-ra ha ha ha ha ha,
Val-de-ri, val-de-ra,
My knapsack on my back

I love to wander by the stream
That dances in the sun,
So joyously it calls to me,
"Come! Join the happy fun!"

Chorus

I wave my hat to all I meet,
And they wave back to me,
The blackbirds call so loud and sweet
From every greenwood tree

Chorus

High overhead, the skylarks wing,
They never rest at home
But just like me, they love to sing,
As o'er the world we roam.

Chorus

Oh, may I go a-wandering
Until the day I die!
Oh, may I always laugh and sing,
Beneath God's clear blue sky!

Chorus

Hunk of Tin

I'm a little hunk of tin,
Nobody knows where I have been.
I've got four wheels and a running board,
I'm a Ford four by four.
Honk, honk, rattle, rattle, rattle, crash, beep, beep! (x3)
Honk, honk, honk, honk, honk.

I've Got That Scouting Spirit

I've got that Scouting spirit up in my head,
Up in my head, up in my head.
I've got that Scouting spirit up in my head,
Up in my head to stay.

2. I've got that Scouting spirit deep in my heart.
3. I've got that Scouting spirit down in my feet.
4. I've got that Scouting spirit all over me.

Day is Done (Taps)

Day is done, gone the sun,
From the lake, from the hills, from the sky;
All is well, safely rest, God is nigh.

Fading light, dims the sight,
And a star gems the sky, gleaming bright.
From afar, drawing nigh, falls the night.

Thanks and praise, for our days,
'Neath the sun, 'neath the stars, neath the sky;
As we go, this we know, God is nigh.

Sun has set, shadows come,
Time has fled, Scouts must go to their beds
Always true to the promise that they made.

While the light fades from sight,
And the stars gleaming rays softly send,
To thy hands we our souls, Lord, commend.

Dum, Dum, Da, Da

Dum, dum, da, da,
Da-dum, dum, da, da,
Da-dum, dum, da, da, da, dum, da-dum, dum, dum
Dum, dum, da, da,

Da-dum, dum, da, da, da, dum.

First time through: pat both knees twice, then right hand to left shoulder twice; pat knees twice, then left hand to right shoulder twice.

Third time through: left hand on right elbow, flutter right hand; right hand on left elbow, flutter left hand.

Fifth time through: cross arms, lean alternately forward and back.

Our Paddles Keen and Bright

Our paddles keen and bright, flashing like silver,
Swift as the wild goose flies, dip, dip, and swing.

Dip, dip, and swing them back, flashing like silver,
Swift as the wild goose flies, dip, dip, and swing.

Sing two or three times through, with voices becoming louder
and then softer-as though canoes were first approaching and then
moving away. [Also may be sung as a round.]

Scout Vespers

Softly falls the light of day,
While our campfires fade away.
Silently each Scout should ask:
Have I done my daily task?
Have I kept my honor bright?
Can I guiltless sleep tonight?
Have I done and have I dared,
Everything to be prepared?

Oleanna

Chorus:

Ole, oleanna. Ole oleanna. Ole, ole, ole, ole, ole, oleanna.

Climbing up the Matterhorn, all alone as I could be, I reached the top, I forced a stop
and heard this mystic melody.

Chorus

On an island in the ocean, not a human soul around, as I searched for bread and water,
once again I heard this sound.

Chorus

My plane had all it's motors gone. The wings would never keep me up. I heard a voice
that seemed to say, "Now let's take it from the top".

Chorus

with, "Have you heard the latest toon?"

Chorus

My ship was sinking in the water, so I sent an S.O.S. and I waited for an answer, you

Chorus (2x)

Proud to be an American

If tomorrow all the things were gone,
I'd worked for all my life.
And I had to start again,
with just my children and my wife.

I'd thank my lucky stars,
to be livin here today.
' Cause the flag still stands for freedom,
and they can't take that away.

And I'm proud to be an American,
where at least I know I'm free.
And I wont forget the men who died,
who gave that right to me.

And I gladly stand up,
next to you and defend her still today.
' Cause there ain't no doubt I love this land,
God bless the USA.

From the lakes of Minnesota,
to the hills of Tennessee.
Across the plains of Texas,
From sea to shining sea.

From Detroit down to Houston,
and New York to L.A.
Well there's pride in every American heart,
and its time we stand and say.

That I'm proud to be an American,
where at least I know I'm free.
And I wont forget the men who died,
who gave that right to me.

And I gladly stand up,
next to you and defend her still today.
' Cause there ain't no doubt I love this land,
God bless the USA.

And I'm proud to be and American,
where at least I know I'm free.
And I wont forget the men who died,
who gave that right to me.

And I gladly stand up,
next to you and defend her still today.

' Cause there ain't no doubt I love this land,
God bless the USA.
