

# Adult Pintwood Derby

## Unlimited Circuit Rules

Cars may be made of any material so long they follow the below rules.

1. Width shall not exceed 2-3/4 inches.
2. Length shall not exceed 7 inches.
3. Weight shall not exceed 8 ounces.
4. Height shall not exceed 3 inches.
5. No propulsion devices.
6. The forward most edge of the car must be 3/4" wide to rest against the starting gate.
7. You may use any lubricant, however you will not be allowed to lubricate inside of the brewery.
8. All lubrication or other service must be completed prior to presenting the car for technical inspection. Once a car passes inspections, no modification are allowed. The car will be held in the pit area during the race.
9. Cars must be capable of accepting and retaining its assigned car numbered decal.

10. Each car must pass inspection before it will be allowed to race. The scale used on race day is the only official scale. If a car does not pass inspection, the owner will be informed of the reason for failure, and will be given time within the official check in time period to make any adjustments. If the car is not able to meet specifications, it will be disqualified.
