

Chuckwagon at Buck Hill, Explained!

Chuckwagon is an event similar to the Scouting Klondike. The Cub Scouts pull a wagon to different stations. The wagon can be your trusty/ rusty old Radio Flyer, your Pack can build a wagon to go along with the theme, or anything in between. They go from station to station practicing Scout skills and playing games or doing activities. Stations close at 3pm. Please head to the Buck Hill Circle Shelter at the close of stations. There will be a show followed by awards.

Some stations are competitions and some are just for fun. The most popular is the Shooting Sports. We'll give you a set time to be at BB and Archery so you don't miss out. PLEASE be patient in the BB and Archery areas. It is always so popular that even with set times, there is still a line. BBs are not an approved Lion activity per BSA standards but they will do something special just for them!

The day will be filled with fun and surprises no matter what the weather is. Chuckwagon happens rain or shine and the Scouts have fun either way. When you arrive in the morning and check in, you are given a bag for your Scouts with some goodies that we've prepared for you. During the day, if you stop by the Buck Hill Circle Shelter or see some of our key Leaders, sing or shout out your cheer for them and you'll get some cool themed prizes. It is a day filled with fun and we don't want you to miss it!

You will need to bring your own lunch to Chuckwagon, but the **"Dinolicious"** food truck will be there if you would like to purchase something to supplement what you have brought. If you are staying for the Webelos Overnighter, pizza will be provided for supper and a continental breakfast will be served before you leave.

We hope to see you at the Chuckwagon at Buck Hill Scout Camp for the second time!!! It is Saturday, May 17, 2025 and this year's theme is **"Robots"**.

Your 3rd, 4th and 5th graders can continue their fun by signing up for our Webelos Overnighter, directly following the Chuckwagon. Please contact us with any questions!
