WHAT IS NYLT?

National Youth Leadership Training (NYLT) is an exciting, action-packed program designed to provide youth with leadership skills and experience that they can apply within their troops and in other situations requiring leadership of self and others.

NYLT is a six-day course that emphasizes hands-on learning in a fun, engaging environment. Through a blend of activities, presentations, challenges, discussions, and games, participants will develop confidence and leadership abilities while working together as a team.

The course content is designed to build leadership concepts progressively, using practical exercises to reinforce learning. Participants embark on a Quest for the Meaning of Leadership, which brings the leadership lessons to life as they apply their skills throughout the course.
