

BSA Blue Ridge Council NYLT Website Permission Form

I, _____, give my permission to have pictures/videos of myself/my
(Scout's Name – Please Print)
child posted by BSA Blue Ridge Council NYLT.

I understand that these pictures/videos will be scouting related and I will contact the Webmaster if I feel that the pictures/videos are not appropriate.

In addition, I give permission for my/my child's name to be printed in articles, newsletters, etc., featuring NYLT events that will be posted on the NYLT Website and that all efforts will be made to protect me/my child, including exclusion of last names (except for possibly the first initial of last name).

I also realize that there is a certain risk involved in posting pictures/videos of myself/my child on the Internet and release the Webmaster, leaders, and volunteers of NYLT, the Blue Ridge Council, and the Boy Scouts of America from any consequences resulting from these pictures/videos.

In consideration of the benefits to be derived, after considering the risks involved, in view of the fact that the Boy Scouts of America is an organization in which membership is voluntary, and having full confidence that precautions will be taken to insure the safety and well-being of myself, I give permission to the Webmaster to post pictures/videos of scouting that include me/my child on the NYLT Website.
