BALOO is the Cub Scout leader training required for any Cub Scout den or pack outdoor event, including pack camping overnights and Webelos den overnights. This course replaces the previous OWLS course. BALOO training is comprised of two components - an online component and this practical, hands-on component. Both components must be completed to qualify as a "TRAINED" Cub Scout outdoor leader.

The online component is available through the BSA LearnCenter at my.scouting.org and must be completed prior to the practical component. This practical portion of BALOO is an overnight camping experience and will cover GPS, aquatics, gear selection, nature & hiking, outdoor ethics, cooking & sanitation, first aid, cub scout knife safety and much, much more.
