I understand and acknowledge that:			
<ol style="list-style-type: none"> The social security number provided is mine and will be used by Duke Energy solely for the purpose of verifying my identity with a third party agency. Duke Energy will not share the social security number or any other personally identifiable information. Federal regulations require that I submit to search of my: person, items of property, vehicle, and other items in my possession before entering the Protected Area (PA) of the nuclear site. Each search is made to detect and prevent the introduction of unauthorized firearms, explosives, incendiary devices, illegal drugs, controlled substances and alcoholic beverages. Any attempt to bring these items into the PA may result in arrest and prosecution under State and Federal law. While on Duke Energy property I am expected and agree to comply with any request made by Nuclear Site Security or authorized Duke Energy Management to conduct a search of my person, personal items, vehicle, and other items in my possession and I may be detained as necessary to perform the search. Cameras, including those contained in a cell phone or other electronic devices are permitted on Duke Energy property, but the use of a camera or other recording device is NOT allowed unless explicitly authorized by Duke Energy Management. Unauthorized use of a camera or other recording device may result in denial of site access. I will comply with all Duke Energy policies, procedures, posted signs, work instructions, and directions provided by my assigned Escort.
