## Boy Scouts of America

January 25, 2025

Dear Scouter,

Merit Badge University is a unique opportunity for Scouts to earn a Merit Badge. **This one-day event will be held at River Bluff High School.**

**MBU is scheduled for Saturday, March 29, 2025**

The Merit Badge system is designed to help Scouts explore career fields and areas of interest. We offer several sessions of the more popular Eagle-required Merit Badges, but please encourage your Scouts to use MBU as an opportunity to explore other exciting opportunities, such as American Heritage or Nuclear Science.

The **\$20.00** cost per Scout helps cover facility rental, insurance, lunch, a special MBU patch, teaching aids and supplies. Adult registration is also required. For their **\$15.00** fee, adults will also receive a patch, lunch and registration for the **University of Scouting** that will be held the same day at River Bluff High School.

Online registration is required for this event. After your troop completes the on-line registration, a confirmation e-mail will be sent to the email address on your registration form. Please make sure the email address submitted is valid and can receive attachments. *If you do not receive a confirmation e-mail within 24 hours after completing your online registration, please contact us.*

Space is limited; this event is on a first come first served basis, so prompt registration is important. Thank you for your consideration and attention and we look forward to seeing you at MBU this year.

### Important Info:

- Male and female scouts will be in classes together and counselors will be a mix of male and female and like the rest of scouting, MBU has an "Open Door Policy", leaders and parents are welcome to attend any class, we just ask that you do not disturb ongoing instruction.
- Lunch times are different for each class, so scouts should be prepared to eat with their class and not with their unit (lunch is provided as part of the registration).
- **Troops should register as a unit online and plan to have one person responsible for registration the day of the event.**
- There is no longer a Age and Rank Policy but it is important that leaders work with their scouts to make sure they choose a badge that is right for them.
- Once registration is closed, we cannot make any changes to your unit's registration. This includes scouts switching classes or adding additional scouts. However, we will have a system in place the morning of MBU, where scouts can change to a different class from any open sessions, and we will be able to register any scouts that did not sign up before registration closed.
- **Climb to First Class** will be offered again this year scouts to learn skills required for Tenderfoot, Second Class and First Class. Participants will be divided into patrols and work with older scouts serving as instructors. **Recommended for scouts that have just crossed over from Webelos.**

## Indian Waters Council

Saturday March 29, 2025, 8:30 A.M. - 3:00 P.M.

River Bluff High School

Please review the list of Merit Badge classes offered at this year's MBU and help your Scouts determine what classes they would be interested in and best suited to take.

It is very important that leaders help their Scouts choose a badge that is appropriate to their age, rank and maturity level. **Please go over the requirements with your Scouts before they sign up and make sure they know what is expected of them.** Enclosed is a sheet showing any prerequisites that need to be met before coming to MBU.

**Registration and packet pick-up on the morning of MBU will be done by UNIT ONLY. Please identify ONE person, from your unit, to pick up and oversee your unit's paperwork for the day.**

To register online please go to the council website, [www.indianwaters.org](http://www.indianwaters.org) and look for the Merit Badge University/University of Scouting link on the front page.

The Council Service Center CANNOT accept payments for this event. Every year MBU fills up before the deadline. Registration will be closed once classes are filled.
