## Cuboween 2025 Scout Service

### Welcome

Today, we gather to celebrate the spirit of helping others.

As Scouts, we learn that a helping hand can make a big difference in the world around us. Whether it's through kindness, teamwork, or service, our actions reflect the Scout Law — especially being helpful, friendly, and kind.

Helping hands remind us that through our shared actions, we can make the world a better place.

### Opening Prayer

Creator of all, thank You for bringing us together today as Scouts and friends. Help us to remember that we are called to serve others with cheerful hearts. Help us to use our hands and hearts to lift others up. May our hands be ready to help, our hearts open to care, and our words filled with encouragement. Bless this time together and guide us in Your love. Amen.

### Scripture and Wisdom Readings:

Hebrews 13:16 - 'And do not forget to do good and to share with others'

'A generous heart, kind speech, and a life of service and compassion are the things which renew humanity.'

### Responsive Reading:

Leader: A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, reverent.

All: We use our helping hands to live these words each day.

Leader: On my honor, I will do my best to do my duty to God and my country and to obey the Scout Law.

All: We lend our helping hands to serve others and strengthen our communities.

Leader: To help other people at all times.

All: With helping hands, we show compassion, respect, and kindness to all.

Leader: To keep myself physically strong, mentally awake, and morally straight.

All: We use our helping hands and hearts to build a better world together.

### Reflection: Helping Hands in Scouting

In Scouting, helping others is more than just a good deed — it is a way of life. When we help others, we live out the Scout Law: a Scout is helpful, friendly, courteous, and kind. Helping hands build stronger communities and show that we care for one another.

Whether we're helping at home, school, or in our pack, each act of service reflects the spirit of Scouting and the values we promise in the Scout Oath.

Helping hands remind us that we are all connected and that kindness is a language every person understands.

Let's join together in a song to remind us to let your light shine & be kind.

### Song: "This Little Light of Mine"

This little light of mine, I'm gonna let it shine. This little light of mine, I'm gonna let it shine. This little light of mine, I'm gonna let it shine... Let it shine, let it shine, let it shine!

Everywhere I go, I'm gonna let it shine. Everywhere I go, I'm gonna let it shine. Everywhere I go, I'm gonna let it shine. Let it shine, let it shine, let it shine.

### Closing Prayer

Spirit of peace and love, thank You for this time of reflection and unity. May we leave this place ready to serve others with hearts filled with kindness, to lend our helping hands freely, and to live by the Scout Oath and Law in all we do. Bless our packs, our families, and all Scouts everywhere. Amen.

### Benediction:

As we go forth, may our helping hands bring hope, may our words bring kindness, and may our actions bring light. Let us remember that together, we can make a difference. Scouts, go out and serve with cheerful hearts!

### IMPORTANT REMINDERS:

Please respect the farm, animals, & other guests. Anyone caught damaging property will be asked to leave the event.

Stay with your buddy at all times. Parents will need to stay with their lion and tiger scouts.

Parents must accompany children to the farm. They are crossing a road and we want to make sure they stay safe. That is our first priority.

Please do not play in the ditch that is on the backside of our camping area, and do not go any farther than that fence by the ditch towards the owner's home. Let's be respectful of their privacy.

Please stay off of the deck at the river. It does not meet our safety standards.

No alcohol/drugs/pets permitted at any scouting event.

Smoking/Vaping may not be in the view of our attendees. You may go to the farmhouse on the left side of our overflow camping on the other side of the bridge if you'd like to smoke.

### **No Crocs or Open Toe Shoes!!**
