Cub Scout

Day

IN A BOX!

Camp

Enjoy all the fun "Down On The Farm"! Cubs will get a package of supplies for each day of fun and learning. Each kit comes with directions and most supplies for Craft activities, Games, Scout skills, and STEM activities. Some activities will need items that you already have at home. Scouts can work on activities while in the kitchen, den or even outside. Each day, we will also bring everyone together in a Zoom video meeting (you can also call in by phone and participate). We will also share our creations and success each day via Facebook and Instagram. On Day 4 (Thursday), there will be a Virtual Campfire everyone will enjoy!

Cost: \$25.00 / Scout. Includes your packet of materials AND a collectible patch!

The Zoom meeting log-in information will be sent out to parents after the June 5th sign-up deadline.
