

Scouting Participation and Hold-Harmless Agreement

Shooting Sports Programs Waiver

Skymont Summer Camp is conducting a shooting sports program. Scouts will be instructed how to handle, maintain, and safely shoot archery and firearms, and be provided instruction to increase their shooting skills. Scouts will have classroom instruction and range instruction in which they will shoot archery and firearms under the supervision of a trained Range Safety Officer or specifically certified Instructor.

Scouts will be required to wear eye protection, hearing protection, arm guards, and finger tabs appropriate to the specific shooting sport program while on the range. Scouts are expected to abide by all safety rules and the instructions of the Instructor and Range Safety Officer.

I have carefully considered the risk involved and have given consent for my child to participate in the activity. I understand that participation in the activity is entirely voluntary and requires participants to abide by the rules and standards of conduct. I release Boy Scouts of America, the Cherokee Area Council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from all claims or liability arising out of this participation.

I understand that any additional cost associated with participation in this program will not be refunded if my child is removed due to behavioral problems. For safety, my child and I agree that they will do the following or they will be removed from the program:

1. Be a registered Cub Scouts, Scouts BSA, Venturing, or Sea Scouts member.
2. Complete the training offered as part of the program.
3. Wear all safety gear at all times while on the range.
4. Follow all safety rules provided in the training class.
5. Follow the instructions of the Range Safety Officer and Instructors.
6. Do not handle any archery or firearm equipment until instructed to do so by the Instructor.
7. Airsoft and chalkball/paintball will be aimed only at provided targets.

Shooting at each other is prohibited.

I, the undersigned, give my child, _____, permission to participate in these programs. I understand that participation in the activity involves a certain degree of risk.
